### Audit Committee:

The audit committee of the Board of Directors reviews the various accounting, financial reporting and internal control functions and makes recommendations to the Board of Directors for the selection of independent public accountants. In addition, the committee will monitor the independence of the independent accountants. The members of the audit committee are Mr. Hacala and Mr. Cotnoir.

The Company's Board of Directors does not have an "audit committee financial expert," within the meaning of such phrase under applicable regulations of the Securities and Exchange Commission (the "SEC"), serving on its audit committee. The Board of Directors believes that all members of its audit committee are financially literate and experienced in business matters, and that one or more members of the audit committee are capable of (i) understanding generally accepted accounting principles ("GAAP") and financial statements, (ii) assessing the general application of GAAP principles in connection with the Company's accounting for estimates, accruals and reserves, (iii) analyzing and evaluating the Company's financial statements, (iv) understanding the Company's internal controls and procedures for financial reporting; and (v) understanding audit committee

functions, all of which are attributes of an audit committee financial expert. However, the Board of Directors believes that there are no audit committee members who have obtained these attributes through the experience specified in the SEC's definition of "audit committee financial expert." Further, like many small companies, it is difficult for the Company to attract and retain board members who qualify as "audit committee financial experts," and competition for these individuals is significant. The board believes that its current audit committee is able to fulfill its role under SEC regulations despite not having a designated "audit committee financial expert."

### Code of Ethics:

The Company's Board of Directors has adopted a Code of Ethics for Senior Financial Officers to promote honest and ethical conduct, proper disclosure of information in the Company's periodic reports, and compliance with applicable governmental laws, rules, and regulations by the Company's senior officers who have financial responsibilities. A copy of the Code of Ethics for Senior Financial Officers may be obtained free of charge by submitting a request to General Kinetics Incorporated, 110 Sunray Drive, Johnstown, PA 15905, Attn: Secretary.
