Item 1.01. Entry into a Material Definitive Agreement.

The disclosure set forth in Item 2.03 is incorporated herein by reference.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

GrafTech International Ltd. (“GrafTech”) and certain of its subsidiaries (together with GrafTech, the “Company”) entered into an Amendment (the “Amendment”) to its Amended and Restated Credit Agreement, dated as of April 23, 2014, as amended by the First Amendment dated as of November 19, 2014 and as further amended by the Second Amendment dated as of December 19, 2014, with the lenders party thereto and JPMorgan Chase Bank, N.A., as Administrative Agent, Collateral Agent, Issuing Bank and Swingline Lender (the “Credit Agreement”), to establish a senior secured delayed draw term loan facility in the aggregate principal amount of \$40,000,000 (the “Term Facility”).

The Term Facility is unconditionally guaranteed by the same guarantors that guarantee borrowings made by GrafTech Finance Inc. (“Finance”), a Delaware corporation and an indirect, wholly owned subsidiary of GrafTech, under the \$400,000,000 senior secured revolving credit facility previously established under the Credit Agreement (the “Revolving Facility”) and is secured by the same collateral securing any borrowings made by Finance under the Revolving Facility. The Term Facility permits voluntary prepayments without premium or penalty. Amounts borrowed under the Term Facility that are repaid or prepaid may not be reborrowed. The Term Facility and the Revolving Facility mature on the same date, April 23, 2019.

The Term Facility will amortize in equal quarterly installments during each of the four periods set forth below, commencing on the last day of the first full fiscal quarter commencing on or after the date on which the loans under the Term Facility are drawn (the “Drawdown Date”). The Term Facility will amortize in an amount for each such period equal to the following percentages of the aggregate principal amount of the Term Facility on the Drawdown Date:

- 10% during the first full four-fiscal-quarter period commencing after the Drawdown Date;
- 15% during the second full four-fiscal-quarter period commencing after the Drawdown Date;
- 20% during the third full four-fiscal-quarter period commencing after the Drawdown Date; and
- 55% thereafter, with the balance at maturity being treated as an equal quarterly installment.

The commitment under the Term Facility expires on October 31, 2015. All proceeds of the Term Facility will be used, along with other cash resources available to the Company, to prepay, redeem or repurchase GrafTech’s \$200,000,000 Senior Subordinated Notes due November 30, 2015.

In addition, the Credit Agreement was amended to adjust interest rates and fees applicable to the Revolving Facility and to adjust the senior secured leverage ratio covenant. The Company paid the lenders a customary fee for the Amendment. Some of the lenders and their affiliates have performed and may in the future perform various commercial banking, investment banking and other financial advisory services for the Company for which they have received and will receive customary compensation.

The foregoing description of the Amendment does not purport to be complete and is qualified in its entirety by reference to the Second Amendment and Restatement Agreement filed as Exhibit 10.1 to this Current Report on Form 8-K.
