Pechiney completes acquisition of Novacel -  
Mexico's leading custom flexible packaging company

Paris, August 22, 2003 - Pechiney Group today has announced that its subsidiary, Pechiney Plastic Packaging, Inc. has completed the acquisition of Novacel, S.A. de C.V., Mexico's leading custom flexible packaging company for US\$ 90 million, from Grupo Arteva, S. de R.L. de C.V. and Grupo Bimbo, S.A. de C.V.

With the addition of Novacel, Pechiney establishes a flexible manufacturing presence in Mexico, and demonstrates its strategy to expand globally in selected markets.

"Novacel, which is based in a market enjoying strong growth, brings numerous strengths to our organization, among them strong customer relationships and technological capabilities," said Ilene Gordon, Pechiney Plastic Packaging president. "We are pleased to welcome them to Pechiney."

Headquartered in Guadalajara, Mexico, Novacel manufactures a variety of flexible packaging products, primarily for food markets, that fit strategically with Pechiney Plastic Packaging's businesses. It operates two plants and employs 1,000 people. In 2002, sales were approximately US\$ 110 million.

More information

Pechiney Plastic Packaging (PPP) had sales of approximately (euro) 1.3 billion in 2002. It is a technological leader in the manufacture of single and multilayer plain and printed plastic films, laminations, pouches, bags, lidstock and thermoformed trays; and multilayer plastic bottles. The company serves three major markets: Food, Meat & Dairy, and Healthcare & Specialty. Headquartered in Chicago, it now employs approximately 6,000 people in 40 facilities in North and South America, Europe and Australasia.

The Pechiney Group's Packaging Sector achieved sales of approximately (euro) 2.4 billion in 2002. With bases in 18 countries, it employs more than 17,000 people in 97 plants around the world. It has global leadership positions in high value-added specialty packaging for food (flexible packaging, capsules and overcapping) and health and beauty (flexible tubes, aluminum aerosol cans, luxury plastic containers for cosmetics and perfumes). The Novacel flexible plants join an already strong presence in Mexico in the beauty sector, including two Cebal tube facilities (one for laminate tubes, another under construction for plastic tubes) and two Techpack cosmetic packaging plants.
