To the Shareholders

LETTER FROM THE BOARD

(1) INTRODUCTION

On 22 November 2004, the Company and PCPD jointly announced that PCPD and Partner Link, an indirect wholly-owned subsidiary of PCPD, entered into the Provisional Agreement on 19 November 2004 with the Purchaser Controller and the Purchaser pursuant to which Partner Link and the Purchaser conditionally agreed to enter into a formal agreement for the sale and purchase of the Property for a consideration of HK\$2,808 million. Pursuant to the Provisional Agreement, Partner Link and the Purchaser entered into the S&P Agreement on 21 December 2004.

Under the Listing Rules, the Property Disposal constitutes a very substantial disposal for PCPD, which requires the approval of PCPD Shareholders. The Property Disposal constitutes a discloseable transaction for the Company as both assets ratio and consideration ratio exceed 5% but less than 25% under Chapter 14 of the Listing Rules.

On 30 November 2004, the Company and PCPD jointly announced that Asian Motion agreed to sell the Placing Shares to Deutsche Bank on 30 November 2004. On 2 December 2004, the Company further announced that based on the financial information set out in April 2004 Circular issued by PCPD, the value of the total assets attributable to the Placing Shares exceeds 5% but less than 25% of the consolidated total assets of the Company. Initially, the Company used the book carrying value of the Placing Shares which was HK\$740 million and which represented 1.7% of the total assets of the Company, to calculate the percentage ratio for the Placing. After clarification, the calculation should have been based on the total assets of PCPD attributable to the Placing Shares. Accordingly, the Placing constitutes a discloseable transaction of the Company under Chapter 14 of the Listing Rules. In addition, the Company also clarified in the announcement dated 2 December 2004 that the Placing was entered into between the Company and Deutsche Bank as a contracting principal (as opposed to Deutsche Bank acting as a placing agent).

On 13 December 2004, the Company announced that in view of the additional cost and time that would be involved in producing two circulars (one for the Placing and the other for the Property Disposal) within a short period of time, the Company planned to combine the two circulars and dispatch the combined circular both in Hong Kong and the United States of America on or before 31 December 2004. Accordingly, the Company has applied for, and the Stock Exchange had granted a waiver of Rule 14.38 of the Listing Rules to the Company to extend the time for despatch of the circular in respect of the Placing from 24 December 2004 to 31 December 2004.

The purpose of this circular is to provide Shareholders with details of the Property Disposal and the Placing and other information in compliance with the requirements of the Listing Rules.

LETTER FROM THE BOARD

Parties

- (i) PCPD
- (ii) Partner Link
- (iii) the Purchaser Controller
- (iv) the Purchaser

Partner Link is an indirect wholly-owned subsidiary of PCPD. The Company, through Asian Motion, holds approximately 51.07% of the issued share capital of PCPD as at the Latest Practicable Date.

PCPD has been informed by the Purchaser that, as at the Latest Practicable Date, its ultimate beneficial owner is the Purchaser Controller, and that the Purchaser Controller is a closed-end property fund for institutional investors which principally invests in real estate in various countries in Asia, managed by Pramerica Real Estate Investors (Asia) Pte. Ltd. The Purchaser, the Purchaser Controller and the ultimate beneficial owner of the Purchaser Controller are Independent Third Parties.

To the best of the knowledge, information and belief of the Directors, after making all reasonable enquiries, the Company, being the controlling PCPD Shareholder, does not have any material interest in the Property Disposal other than through its interest in PCPD.

Edgar Filing: PCCW LTD - Form 6-K

On 22 December 2004, Partner Link was informed by the Purchaser that the Purchaser Controller had entered into an agreement with TaiKoo Place Holdings pursuant to which TaiKoo Place Holdings (through a subsidiary) would subscribe for 20% of the share capital in the Purchaser prior to Completion, and that as at Completion, the Purchaser Controller would hold not less than 50% of the issued share capital of the Purchaser.

The sale and purchase and conditions precedent

Under the Provisional Agreement, Partner Link and the Purchaser were obliged to enter into the S&P Agreement within 2 business days of the satisfaction or waiver (in the case of condition (ii) below, by Partner Link and in the case of conditions (iii) and (iv) below, by the Purchaser) of all the conditions set out below provided that the signing date would not be earlier than 17 December 2004:

- (i) TaiKoo Place Holdings not exercising the Pre-emption Right;
- (ii) PCCW-HKT being satisfied that it, Monance (being the original lessee under the Lease) and Partner Link will not be under any obligations or liabilities under the Lease and any ancillary or related documents in respect of the Property as from Completion;
- (iii) the Purchaser being satisfied that Partner Link's title to the Property is good and free from encumbrances; and

7

LETTER FROM THE BOARD

- (iv) the receipt by the Purchaser of an undertaking from Asian Motion agreeing to approve the sale of the Property on the terms set out in the Provisional Agreement or, as the case may be, to vote in favour of such sale at a general meeting (if required) of PCPD if Asian Motion is permitted to approve or vote on such sale under the Listing Rules.

As the last of the Conditions to be satisfied was fulfilled on 21 December 2004 and on 15 December 2004, the Purchaser informed Partner Link that it would not exercise the option described in the section below headed "Option", pursuant to the terms of the Provisional Agreement, Partner Link and the Purchaser entered into the S&P Agreement on 21 December 2004.

Completion of the S&P Agreement is conditional upon compliance by PCPD with the applicable requirements of the Listing Rules, including the approval thereof by PCPD Shareholders at a general meeting. Please also refer to the section headed "Completion" below.

The Property

The Property comprises PCCW Tower, a 43-storey office tower at No. 979 King's Road, Quarry Bay, Hong Kong, together with certain loading and unloading bays on the ground floor and certain car parks on basement levels 1 to 4 of the office and commercial complex of which PCCW Tower forms part. The gross floor area of the Property is approximately 620,147 sq. ft.

Currently, approximately 99% of the office space in the Property and approximately 50% of the carparks are let. Approximately 35% of the office space and 37% of the carparks are currently leased to PCCW Services Limited, a direct wholly-owned subsidiary of the Company.

Under the Provisional Agreement, the Property is sold subject to lettings and tenancies existing as at Completion. The Company has been informed by PCPD that the value of the Property, as valued by CB Richard Ellis Limited, amounted to HK\$2,652 million as at 31 December 2003 and HK\$2,800 million as at 30 November 2004. Further information about the Property Disposal is discussed in the section headed "Financial effects of the Property Disposal" below.

Consideration

The total consideration for the Property Disposal is HK\$2,808 million paid or payable in cash by the Purchaser in the following manner:

- (i) a deposit of approximately HK\$280.8 million was paid upon the signing of the S&P Agreement; and
- (ii) the balance of the consideration of approximately HK\$2,527.2 million will be payable upon Completion.

An initial deposit of US\$18 million (equivalent to approximately HK\$140 million) was paid by the Purchaser upon the signing of the Provisional Agreement. Pursuant to the Provisional Agreement, such initial deposit was converted into Hong Kong dollars and applied towards payment of the deposit referred to in (i) above upon the signing of the S&P Agreement.

LETTER FROM THE BOARD

The Company has been informed by PCPD that the total consideration was determined after arm's length negotiations between the parties to the Provisional Agreement taking into account the prevailing market conditions in Hong Kong, as well as a valuation of the Property by CB Richard Ellis Limited as at 31 December 2003 (as referred to in the section headed "Financial effects of the Property Disposal" below). The Directors consider that the terms of the Property Disposal (including the terms of the Deed of Rental Guarantee and the Deed of Appointment) are fair and reasonable and are in the interests of the Company and the Shareholders as a whole.

Force majeure

The S&P Agreement provides that if, between the date of the S&P Agreement and Completion, the Property or any part thereof is damaged or destroyed due to the occurrence of certain specified events (including force majeure), then:

- (a) if the total costs for reinstating the damaged or destroyed portion of the Property as determined by independent quantity surveyors (the "Reinstatement Costs") are less than HK\$200 million, the Purchaser will be obliged to complete the purchase of the Property as originally scheduled; and
- (b) if the Reinstatement Costs are HK\$200 million or more, then the Purchaser will have the option to either (i) proceed to Completion as originally scheduled, or (ii) postpone Completion until after the damaged or destroyed portion has been reinstated to its original condition by Partner Link at its cost.

Such postponed Completion will take place on a date specified by notice from Partner Link provided that: (1) the reinstatement works are completed on or before 31 December 2005 and Partner Link produces as evidence a copy of a certificate of fitness for occupation from an Authorised Person appointed by Partner Link for such works; (2) the specified date must not be less than 30 days from the date of the notice; and (3) if the reinstatement is not completed by 31 December 2005, the Purchaser will have the right to terminate the S&P Agreement and Partner Link will refund to the Purchaser all monies paid by it under the S&P Agreement.

Option

Under the Provisional Agreement, the Purchaser had the option, exercisable on or before 15 December 2004, instead of entering into the S&P Agreement, to purchase the entire issued share capital of Partner Link at net asset value and all loans owing to the PCPD Group by Partner Link at book value but otherwise on substantially the same commercial terms as those in the S&P Agreement and subject to the Conditions and other terms as provided in the Provisional Agreement. On 15 December 2004, the Purchaser informed Partner Link that it would not exercise the option.

LETTER FROM THE BOARD

COMPLETION

Condition for Completion

Completion is conditional upon the compliance by PCPD with the requirements of the Stock Exchange and the Listing Rules in relation to the S&P Agreement including the approval by PCPD Shareholders at a general meeting in accordance with the Listing Rules. PCPD has proposed to convene a special general meeting to be held on 17 January 2005 to, inter alia, approve the Property Disposal.

In the event that the above condition precedent is not fulfilled on or before 31 January 2005 or such later date as the parties may agree, the S&P Agreement will immediately terminate and Partner Link will return to the Purchaser all deposits paid together with interest thereon within seven business days following the termination of the S&P Agreement.

Completion date

Upon fulfillment of the condition precedent, Completion will take place on 3 March 2005 or an earlier date notified by Partner Link to the Purchaser by written notice provided that (a) such date is a business day not less than 14 days from the date of the notice, and (b) such notice may not be served earlier than 25 January 2005. The earliest date for Completion is therefore 8 February 2005.

DEED OF RENTAL GUARANTEE

Under the S&P Agreement, on Completion, Partner Link, the Rental Guarantor and the Purchaser will enter into the Deed of Rental Guarantee pursuant to which Partner Link will pay the sum of HK\$13.338 million to the Purchaser by way of guaranteed net monthly rental on the date of Completion and thereafter on the first business day of every month during the period of 5 years commencing from the date following Completion (the Guaranteed Period). This guaranteed rental is payable irrespective of the actual amount of income received from tenants and licensees and the cost and expenses required to be expended by the Agent and Partner Link in respect of the Property. In return Partner Link will be entitled to receive the actual rents and licence fees paid by the tenants and licensees. If during the Guaranteed Period, the actual net monthly rental received is higher than the guaranteed rental, Partner Link will be entitled to the excess. The guaranteed rental was determined after arm's length negotiations between the parties to the Provisional Agreement, taking into account a yield requested by the Purchaser.

The form of the Deed of Rental Guarantee provides that during the Guaranteed Period all expenses in respect of the Property will be borne by Partner Link and/or the Agent except for any expenditure of a capital or non-recurring nature, any expenditure of works required by any government department or other competent authority, certain taxes levied on the guaranteed rental and any insurance premium for which the Purchaser will be responsible.

LETTER FROM THE BOARD

The Purchaser will be obliged to take out business interruption insurance in respect of the Property for a disruption period of at least 12 months for an agreed amount. If during the Guaranteed Period, any part of the Property is damaged or destroyed by certain specified force majeure events so that (i) under the terms of the letting agreements, the rent due from tenants or licensees is suspended or (ii) any part of the Property is incapable of being let out, the Purchaser will make a claim under the insurance policy and pay the same over to Partner Link. If Partner Link does not receive the insurance proceeds for the loss of income for a particular month within the next 4 months, Partner Link may deduct an equivalent amount from the guaranteed monthly rental next due provided that the insurance policy has not been violated or rendered invalid, and payment thereunder has not been refused as a result of any act or default of the Agent.

The Rental Guarantor will guarantee the performance by Partner Link of its obligations under the Deed of Rental Guarantee.

The form of the Deed of Rental Guarantee provides that it may be terminated during the Guaranteed Period in the event of: (i) termination by the Purchaser of the appointment of the Agent under the Deed of Appointment; (ii) the Purchaser Controller ceasing to be the ultimate beneficial owner of at least 50% of the entire issued share capital of the Purchaser; or (iii) the Purchaser ceasing to be the legal and/or beneficial owner of the Property. The Purchaser may not assign its benefit or obligations under the Deed of Rental Guarantee other than in favour of the mortgagees from time to time of the Property and any such mortgagee may also assign such rights when it exercises the power of sale to the subsequent

purchaser but not further or otherwise.

DEED OF APPOINTMENT

Under the S&P Agreement and the agreed form of the Deed of Rental Guarantee, on Completion, the Purchaser and the Agent will enter into a Deed of Appointment whereby the Agent will be appointed (i) the Purchaser's sole and exclusive leasing agent to deal with all leasing and tenancy matters of the Property; and (ii) the Purchaser's sole manager of the Property. The Agent will bear all costs and expenses incurred in the performance of its services under the Deed of Appointment (save for those of a capital or non-recurring nature for which the Purchaser will be responsible) and is not entitled to any fee or remuneration. Each of the appointments will be for a term of 5 years from the date of the Deed of Appointment, provided that the Deed of Appointment may be earlier terminated under certain specified circumstances including the early termination of the Deed of Rental Guarantee.

PRE-EMPTION RIGHT OF TAIKOO PLACE HOLDINGS

Under the terms of the Lease, if Partner Link as the lessee receives a bona fide offer to purchase the whole of the Property, Partner Link is required to serve notice on TaiKoo Place Holdings of its intention to sell the Property, specifying the terms of the proposed Property Disposal (the Disposal Notice). TaiKoo Place Holdings will then have the right to purchase the Property within 30 days (the Pre-emption Period) on terms set out in the Disposal Notice. On 19 November 2004, Partner Link served a Disposal Notice on TaiKoo Place Holdings enclosing a copy of the Provisional Agreement. Accordingly, if TaiKoo Place Holdings exercised the Pre-emption Right, Partner Link would be obliged to sell and TaiKoo Place Holdings would be obliged to purchase the Property on those terms.

11

LETTER FROM THE BOARD

Under the Lease, if no written reply is given on the expiry of the Pre-emption Period or if TaiKoo Place Holdings replies that it does not wish to purchase the whole of the Property on terms set out in the Disposal Notice, Partner Link may within 2 months from the date of expiry of the Pre-emption Period or, as the case may be, the date of TaiKoo Place Holdings reply, sell the whole of the Property to the Purchaser on terms no more favourable to the Purchaser than the terms set out in the Disposal Notice. TaiKoo Place Holdings informed Partner Link on 18 December 2004 that it would not exercise the Pre-emption Right to purchase the Property.

REASONS FOR AND BENEFITS OF THE PROPERTY DISPOSAL

PCPD and its subsidiaries are principally engaged in the development of premium properties in Asia and the investment in premium-grade buildings in Asia or substantial parts thereof.

As the PCPD Group continues to consider different business and investment opportunities, PCPD is exploring various ways to satisfy the anticipated funding requirements of the PCPD Group. Given the current favourable market conditions, the PCPD Directors consider that the Property Disposal represents a good opportunity for the PCPD Group to realize the Property at a reasonable price and improve the overall financing flexibility of the PCPD Group. As at the Latest Practicable Date, PCPD is a 51.07% subsidiary of the Company, and the Company will benefit from the Property Disposal through its shareholding in PCPD.

FINANCIAL EFFECTS OF THE PROPERTY DISPOSAL

The Property was acquired by the PCPD Group on 10 May 2004 as part of the Sale Shares and the Sale Assets (each as defined in the April 2004 Circular) as jointly announced on 5 March 2004 by the Company and PCPD (then known as Dong Fang Gas Holdings Limited), at an aggregate consideration of HK\$6,557 million, which was satisfied partly by the issue and allotment of new shares in PCPD and partly by the issue of convertible notes by PCPD. The terms of the Provisional Agreement including the consideration were determined by the parties on an arm's length basis. The consideration for the sale of the Property is HK\$2,808 million which is close to the valuation of HK\$2,800 million as appraised by CB Richard Ellis Limited as at 30 November 2004, as informed by PCPD. The consideration represents a premium of approximately 21.6% over the net book value of the Property of approximately HK\$2,309 million as at 30 September 2004 according to PCPD's latest unaudited interim results.

As announced by the Company on 22 November 2004, the book value of the Property is approximately HK\$2,690 million as at 30 June 2004 according to the Company's latest unaudited interim report. The Property Disposal would result in an estimated gain of approximately HK\$3 million to the Group after taking into account the deficit on revaluation reserve of HK\$115 million as at 30 June 2004. The estimated gain is calculated based on the accounting principles generally accepted and currently effective in Hong Kong and without taking into account (i) any changes in accounting standards which have been or may be announced by the Hong Kong Institute of Certified Public Accountants (HKICPA) from time to time, but which have not yet taken effect, and (ii) the expenses incurred for the Property Disposal, including but not limited to agency commission and legal fees which is estimated to be approximately HK\$31 million. In December 2004, the HKICPA issued

LETTER FROM THE BOARD

new accounting standards, Hong Kong Accounting Standard (HKAS) 40 Investment Property, which is effective for annual periods beginning on or after 1 January 2005. At the expected date of Completion which is expected to be in March 2005, HKAS 40 should have come into effect and be applicable to each of PCPD and the Company.

Taking into account the adoption of HKAS 40 and the related transitional provisions, the Directors expect that the estimated gain on the Property Disposal to the Group will be close to nil (after taking into account the expenses incurred for the Property Disposal, including but not limited to agency commission and legal fees, which are estimated to be approximately HK\$31 million). The decrease in estimated gain from approximately HK\$3 million to close to nil is largely due to the effect on the calculation of the gain on the Property Disposal from (i) the reclassification of any amounts in the Group's revaluation reserve as at 1 January 2005 to retained earnings upon adoption of HKAS 40; (ii) depreciation of the land and buildings portion of the Property up to Completion and (iii) estimated expenses of HK\$31 million for the Property Disposal.

The actual gain or loss to each of the PCPD Group and the Group will be determined on Completion based on applicable accounting principles effective at that time and the amount may be significantly different from those amounts disclosed in this circular, and a further announcement will be made if the amounts are significantly different.

Based on the unaudited consolidated balance sheet of the Group as at 30 June 2004, the effect of the Property Disposal is a reduction of fixed asset by approximately HK\$2,690 million with no effect on the liability of the Group, and upon completion of the Property Disposal, the cash balance of the Group will increase by HK\$2,808 million less the expenses incurred for the Property Disposal, including but not limited to agency commission and legal fees, which is estimated to be approximately HK\$31 million.

APPENDIX

GENERAL INFORMATION

(4) DIRECTORS INTERESTS IN COMPETING BUSINESS 14.64(8)

The following are interests of the Directors in businesses apart from the Group's business, which compete or are likely to compete, either directly or indirectly, with the Group's business:

Name of Director	Names of investee companies	Nature of business	Nature of interests
Li Tzar Kai, Richard	Cheung Kong (Holdings) Limited (Cheung Kong) and its subsidiaries (Cheung Kong Group)	Property development and investment, hotel and serviced suite operation, property and project management and investment in securities	Deemed interests in Cheung Kong (Note 1)
	Hutchison Whampoa Limited (HWL) and its subsidiaries (Hutchison Group)	Ports and related services, telecommunications, property and hotels, retail and manufacturing and energy and infrastructure	Certain personal and deemed interests in HWL (Note 2)
Yuen Tin Fan, Francis	Kee Shing (Holdings) Limited (KSH) and its subsidiaries	Sale of chemicals and metals, property and security investment	Non-executive director and deemed interests of 22.84% of KSH through a controlled corporation and as founder of a

			trust
Chung Cho Yee, Mico (Note 3)	Capital Strategic Investment Limited (CSI) and its subsidiaries	Property holding, leasing of property, investment holding and sale of securities	Non-executive director and beneficial owner of 37.54% of CSI

Notes:

1. Certain business of the Cheung Kong Group may compete with certain aspects of the business of the Group. Li Tzar Kai, Richard is one of the discretionary beneficiaries of certain discretionary trusts which hold units in unit trusts which in turn are interested in certain shares of Cheung Kong. Li Tzar Kai, Richard holds one-third of the issued share capital of two companies, which own all the shares in the trustee companies which act as trustees of such discretionary trusts and unit trusts. These trustee companies perform their functions as trustees independently without any reference to Li Tzar Kai, Richard. Notwithstanding the above, his being a discretionary beneficiary and that the trustee companies act independently of him, the Company considers that Li Tzar Kai, Richard is not able to exert control or influence over the Cheung Kong Group.

APPENDIX

GENERAL INFORMATION

2. Li Tzar Kai, Richard was a director of HWL and certain of its subsidiaries until 16 August 2000, the day before the acquisition of Cable & Wireless HKT Limited (now known as PCCW-HKT Limited) became effective. Certain businesses of the Hutchison Group compete with certain aspects of the business of the Group. Li Tzar Kai, Richard has a personal interest in 110,000 shares in HWL, and is one of the discretionary beneficiaries of certain discretionary trusts which hold units in unit trusts which in turn are interested in certain shares of HWL. Li Tzar Kai, Richard holds one-third of the issued share capitals of two companies, which own all the shares in the trustee companies which act as trustees of such discretionary trusts and unit trusts. These trustee companies perform their functions as trustees independently without any reference to Li Tzar Kai, Richard. Notwithstanding the above, and in view of his small personal shareholding, his being a discretionary beneficiary and that the trustee companies act independently of him, the Company considers that Li Tzar Kai, Richard is not able to exert control or influence over the Hutchison Group.
3. Chung Cho Yee, Mico holds direct personal interest in a private company, which engages in property investment or development in Repulse Bay, Hong Kong.

In addition, Li Tzar Kai, Richard, Yuen Tin Fan, Francis, Peter Anthony Allen, Alexander Anthony Arena and Lee Chi Hong, Robert are directors of certain private companies (the Private Companies), which are engaged in property development and investment in Hong Kong (a development called Gough Hill) and/or Japan (investment in certain residential properties and a commercial building).

Further, Li Tzar Kai, Richard, Peter Anthony Allen and Alexander Anthony Arena are directors of PCRD. PCRD acts as an investment holding company of, among others, interests in the Company and certain property development interests in Singapore and India.

The business interests in Hong Kong for the Private Companies are not significant when compared to the business of the Group, it is unlikely that the excluded businesses may compete with the property business of the Group. For the excluded businesses in Japan, Singapore and India, they are unlikely to be competing with the existing investment and development property portfolio of the Group for the time being.

Li Tzar Kai, Richard has a controlling interest in certain Private Companies. Further, he is or may be regarded as interested in PCRD and PCGH due to the interests as disclosed in the above paragraph (1)(A) under the section headed Directors and Chief Executive s Interests and Short Positions in the Shares of the Company and its Associated Corporations in this appendix.

As those companies disclosed above, which might have competing businesses with the Group were involved in the development and/or investment of properties of different types and/or in different locations, the Group has been operating independently of, and at arms length from, the businesses of those companies.

In addition, the Group held minority equity interests in a number of Internet-related companies in which the Group was entitled to appoint, and has appointed, one or more directors to the board of these companies to represent the interests of the Group. Some or all of these companies may compete directly or indirectly, with certain aspects of the Group s business.

APPENDIX**GENERAL INFORMATION**

(5) LITIGATION

Save as disclosed below, as at the Latest Practicable Date, no member of the Group was engaged in any litigation of material importance and there is no litigation or claim of material importance known to the Directors to be pending or threatened against any member of the Group.

Reach Networks Hong Kong Limited (Reach Networks) has instituted legal proceedings against Wharf T&T Limited (Wharf) to recover international delivery fees mistakenly paid or payable to Wharf during the period from 1996 to 1998. The amount claimed is around HK\$157 million plus interest. Wharf has filed a counterclaim against Reach Networks for HK\$78.5 million. Reach Networks action may be successful or unsuccessful and no assurance can be given that any recovery will be possible. Pursuant to the agreements for the transfer of the Company's Internet protocol backbone operations to Reach Ltd., as part of the Company's joint venture with Telstra Corporation Limited, the Company or its nominee retains the right to any proceeds if these proceedings are successful, and the Company or its nominee will be responsible for the conduct of these proceedings and all liabilities, costs and expenses incurred in connection with these proceedings.

On 23 April 2002, a writ of summons was issued against PCCW-HKT, by New Century Infocomm Tech Co., Ltd. for PCCW-HKT's failure to purchase 6,522,000 shares of Taiwan Telecommunication Network Services Co., Ltd. (TTN), an indirect subsidiary of the Company, pursuant to an option agreement entered into on 24 July 2000. The total claim against PCCW-HKT amounted to approximately HK\$102 million (NT\$418 million), being the purchase price of shares in TTN, contractual interest for the period from 1 January 2001 to 2 January 2002 at 6.725% per annum and interest on the due amount pursuant to Sections 48 and 49 of the High Court Ordinance (Chapter 4 of the Laws of Hong Kong). However, this figure should be reduced by the current market value of the shares in TTN which would be transferred to PCCW-HKT in the event that the claimants are successful in their claim. A defence was filed by PCCW-HKT on 29 May 2002 and proceedings are ongoing. Based on legal advice received, the Directors consider that PCCW-HKT has valid defences and therefore no provision has been made.
