Item 8.01 Other Events.

On October 13, 2005, Consolidated Communications Holdings, Inc. (the Company) made a \$2.5 million cash payment to Michael F. Hinds (Hinds) pursuant to a Settlement Agreement and Mutual Release (the Agreement, a copy of which is attached as Exhibit 99.1) among the Company, Consolidated Communications, Inc. (CCI) and Providence Equity Partners, Inc., Providence Equity Partners IV L.P. and Providence Equity Operating Partners IV L.P. (collectively, Providence Equity and, together with CCI and the Company, the Company Parties) and Ono Albany, Inc. (Ono Albany).

Without admitting any liability, the Company Parties have agreed to settle Hinds' causes of action against the Company Parties in the United States District Court for the Southern Division of Texas, Galveston Division (the Litigation), as well as any claims that Hinds or Ono Albany could have brought against the Company Parties in the Litigation, for a cash payment of \$2.5 million. The Litigation arises out of Hinds' work as a consultant to the Company Parties in connection with the Company's acquisition of TXU Communications Ventures Company on April 14, 2004. The Agreement also includes a complete release of the Company Parties and indemnification of the Company Parties with respect to all pending claims in the Litigation, including all claims that could have been brought in the Litigation. The Company's Board of Directors believed that, although it had meritorious defenses to Hinds' claims, it was in the Company's best interests to settle the Litigation given the costs of defending the matter and the diversion of the Company's management's personnel.

In connection with the settlement, the Company expects to incur total charges of approximately \$3.1 million, including legal fees and expenses. Approximately \$0.4 million of the charges were recognized during the first half of 2005 and the remaining \$2.7 million are expected to be recognized during the Company's third quarter ended September 30, 2005. The Company expects to realize a tax benefit of approximately \$1.2 million as a result of the \$3.1 million in charges. The settlement will not affect the Company's dividend scheduled to be paid on November 1, 2005.
