### INFORMATION REGARDING THE BOARD AND ITS COMMITTEES

The Company is a "controlled company" under the corporate governance rules of NASDAQ. Therefore the Company is not required to and does not have (1) a majority of independent directors; (2) a nominating committee comprised solely of independent directors to identify and recommend nominees to the Board of Directors; and (3) a compensation committee comprised solely of independent directors. The Company qualifies as a controlled company due to the ownership by the Sumas Family Group of shares allowing it to cast more than 50% of the votes eligible to be cast for the election of directors.

The Board held five meetings in fiscal 2006. All directors attended at least 75% of the meetings of the Board, and meetings of Board committees on which the director served, during the time such director served on the Board or committee.

## Edgar Filing: VILLAGE SUPER MARKET INC - Form DEF 14A

The Executive Committee, which consists of Perry Sumas, James Sumas, Robert Sumas, William Sumas and John P. Sumas, meets on call and is authorized to act on all matters pertaining to corporate policies and overall Company performance.

### THE COMPENSATION COMMITTEE

The Compensation Committee, which consists of James Sumas, John P. Sumas and John J. McDermott, reviews and approves the compensation paid to executive officers of the Company. This includes base salary, bonus awards, employment agreements and supplemental retirement plans. The full Board of Directors reviews and approves restricted share awards and stock option grants. During fiscal 2006, the Compensation Committee met three times.

4

### THE AUDIT COMMITTEE

The Audit Committee is comprised of three directors, John J. McDermott, Steven Crystal and David C. Judge, each of whom is "independent" as defined by the listing standards of NASDAQ. The Audit Committee: (1) monitors the integrity of the Company's financial reporting process and systems of internal controls regarding financial, accounting, regulatory and legal compliance; (2) retains and monitors the independence and performance of the Company's independent auditors; (3) provides an avenue of communication among the independent auditors, management and the Board of Directors; and (4) approves in advance the fees paid to the independent auditing firm for all services provided. The Audit Committee operates under a charter adopted by the Board of Directors, which was attached to the 2004 proxy statement as Appendix A. During fiscal 2006, the Audit Committee met six times.

The Securities and Exchange Commission has adopted rules implementing Section 407 of the Sarbanes Oxley Act of 2002 requiring public companies to disclose information about Audit Committee financial experts. The Board of Directors of the Company has concluded that none of the three independent audit committee members meet the narrow SEC definition of Audit Committee financial expert as none have served as a principal accounting officer or public accountant, or have been responsible for actively supervising a principal accounting officer. SEC rules do not require Audit Committees to have a financial expert. However, the Board of Directors has determined that all three independent members of the Audit Committee meet the NASDAQ requirements for audit committee members. NASDAQ requires Audit Committee members be able to read and understand financial statements. In addition, NASDAQ rules require one member of the Audit Committee to have employment experience in finance or accounting, or other comparable experience which results in financial sophistication, including as a senior officer with financial oversight responsibilities.

The current members of the Audit Committee include two individuals who have diverse and extensive experience in the finance industry, including responsibilities for analysis of financial statements in connection with corporate lending to the supermarket industry. A third member of the Audit Committee is CEO of several operating companies, including two retail companies. The Board of Directors believes all three members of the Audit Committee have the ability to read and understand financial statements and an understanding of the retail industry appropriate to perform their Audit Committee duties. The Company may consider the addition of an Audit Committee member in the future meeting the "financial expert" definition adopted by the SEC.

# Edgar Filing: VILLAGE SUPER MARKET INC - Form DEF 14A

## REPORT OF THE AUDIT COMMITTEE

The Audit Committee is comprised of three independent directors, as defined by the listing standards of NASDAQ, and operates under a charter adopted by the Board of Directors. The members of the Committee are John J. McDermott (Chair), Steven Crystal and David C. Judge. The Committee appoints the Company's independent auditors.

Management is responsible for the Company's internal controls and the financial reporting process. The independent auditors are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) and to issue a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes.

In this context, the Audit Committee has met and held discussions with management and the independent auditors. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States, and the Audit Committee has reviewed and discussed the consolidated financial statements with management and the independent auditors. The Audit Committee discussed with the independent auditors matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees).

The Company's independent auditors also provided to the Audit Committee the written disclosures required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Audit Committee discussed with the independent auditors that firm's independence.

Based upon the Audit Committee's discussion with management and the independent auditors and the Audit Committee's review of the representations of management and the report of the independent auditors, the Audit Committee recommended that the Board of Directors include the audited consolidated financial statements in the

5

Company's Annual Report on Form 10-K for the year ended July 29, 2006 filed with the Securities and Exchange Commission.

The following table presents fees for professional services rendered by KPMG LLP for the audit of the Company's annual consolidated financial statements for fiscal 2006 and 2005, and fees billed for other services rendered by KPMG LLP:

	2006	2005
	----	----
Audit fees(1).....	\$190,000	\$134,000
Audit-related fees(2).....	33,000	30,000
Tax fees(3).....	43,000	41,000
All other fees.....	--	--
	-----	-----
Total fees.....	\$266,000	\$205,000

- 
- (1) Audit fees consist of audits of the annual consolidated financial statements, quarterly reviews and services provided in connection with statutory and regulatory filing engagements, including issuance of consents.
  - (2) Audit related fees consist of audits of financial statements of employee benefit plans.
  - (3) Tax fees consist of fees for tax compliance and consultation services.

The Audit Committee has considered whether the providing of non-audit services is compatible with maintaining the auditors' independence. The Audit Committee pre-approves all services provided by the principal auditors.

#### NOMINATION OF CANDIDATES TO THE BOARD OF DIRECTORS

The full Board of Directors acts on all matters concerning the identification, evaluation and nomination of director candidates. The Board does not utilize a charter in performing this function. As a matter of policy, the Board will consider nominations of director candidates submitted by any shareholder upon the submission of the names and biographical data of the candidates (including any relationship to the proposing shareholder) in writing to the Board of Directors at 733 Mountain Avenue, Springfield, New Jersey, 07081. Information regarding director candidates for election to the Board in 2007 must be submitted by July 1, 2007.

The Board's process for evaluating candidates recommended by any shareholder is the same as for candidates recommended by the Board, management or others. In searching for appropriate candidates, the Board adheres to criteria established for the consideration and selection of candidates. The Board views the candidate's qualifications in light of the needs of the Board and the Company at that time given the then current mix of director attributes. Among other criteria, the Board may consider the following skills, attributes and competencies of a new member: (i) possessing the highest ethical standards and integrity; (ii) a willingness to act on and be accountable for Board decisions; (iii) an ability to provide prudent, informed and thoughtful counsel to top management on a broad range of issues; (iv) relevant industry or business knowledge; (v) senior management experience and demonstrated leadership; (vi) financial literacy; (vii) individual backgrounds that provide a portfolio of experience and knowledge commensurate with the Company's needs. Each director will be considered without regard to gender, race, religion, national origin or sexual orientation.

#### COMMUNICATION WITH THE BOARD OF DIRECTORS

Shareholders and other interested parties may communicate with the Board of Directors by sending written communication to the directors c/o the Company's Secretary, 733 Mountain Avenue, Springfield, New Jersey 07081. All such communications will be reviewed by the Secretary to determine which communications will be forwarded to the directors. All communications will be

forwarded except those that are related to Company

6

products, are solicitations, or otherwise relate to improper or irrelevant topics, as determined in the sole discretion of the Secretary. The Secretary shall report to the Board of Directors on the number and nature of communications that were determined not to be forwarded.

The Company has a policy of requiring all directors standing for election at the annual meeting of shareholders to attend such meeting, unless unforeseen circumstances arise. All eight directors attended the 2005 annual meeting of shareholders held on December 9, 2005.

### DIRECTOR COMPENSATION

In fiscal 2005, the Company granted to each of its non-employee directors 2,500 restricted shares of Class A stock, which vest in three years.

### CODE OF ETHICS

During fiscal 2006, there were no changes to, or waivers of, the Code of Ethics. The Company will furnish a copy of the Code of Ethics, without charge, to each person who forwards a written request to Mr. Robert Sumas, Secretary, Village Super Market, Inc., 733 Mountain Avenue, Springfield, New Jersey 07081. ### BENEFIT PLANS

The Company maintains a defined benefit pension plan for employees not covered by a collective bargaining agreement who have been employed with the Company for more than six months and who are over the age of twenty-one. For purposes of determining plan benefits, compensation is the regular base pay of the participant plus bonuses, overtime pay and other compensation. Effective January 1, 1989, the plan benefit formula was amended. Retirement benefits are equal to the pension accrued to December 31, 1988 plus 1% of average compensation times each year of post-1988 service plus .75% of average compensation in excess of Table II of the 1989 Covered Compensation Table times each year of post-1988 service. Average compensation for post-1988 service is based on the five highest consecutive years' compensation. The approximate annual retirement benefits at age 65, or in the case of James Sumas his current age of 73, (computed as of January 1, 2006) are \$89,000 to James Sumas; \$82,000 to Robert Sumas; \$89,000 to William Sumas; \$95,000 to John P. Sumas and \$109,000 to Kevin Begley.

In addition to the defined benefit pension plan described above, the Company adopted a Supplemental Executive Retirement Plan (the "SERP") effective January 1, 2004 for certain executive officers. Participants vest in the SERP benefit at a rate of 20% per year of service beginning in calendar 2004. The retirement benefit at normal retirement date for the SERP is calculated as 50% of the individual's average compensation during his or her highest sixty consecutive months in the last ten years before retirement, reduced by both the benefit the participant is entitled to receive under the above defined benefit plan and the amount of the participant's social security benefit. Normal retirement is defined as the later of age 65 or five years of participation in the SERP.

Covered compensation under the SERP includes all salary and bonuses, whether paid in cash or deferred, and as to individuals identified in the Summary Compensation Table, would be the amount set forth in that table under the headings "Salary" and "Bonus". The approximate annual retirement benefits at normal retirement date computed at January 1, 2006 (and the normal retirement date if greater than age 65) payable from the SERP assuming full vesting are as follows: James Sumas (age 75) -- \$224,000; Robert Sumas (age 67) -- \$156,000; William Sumas -- \$181,000; John P. Sumas -- \$204,000; and Kevin Begley -- \$286,000.

### EMPLOYMENT CONTRACTS AND OTHER BENEFITS

The Company entered into an employment agreement with Kevin Begley dated January 1, 2004. The agreement expires December 31, 2006 and provides for annual one-year extensions. Under the agreement, the Company has agreed to pay Mr. Begley base salary and bonus at least equal to that existing on the date of the contract, with increases at least commensurate with the increases granted to the other executive officers of the Company. The Board of Directors may decrease Mr. Begley's compensation in proportion to decreases commensurate with the other executive officers of the Company. In addition, the Company agreed to pay Mr. Begley a retention bonus of a minimum of \$75,000 per year, payable one year

## Edgar Filing: VILLAGE SUPER MARKET INC - Form DEF 14A

after such bonus is earned, conditioned on Mr. Begley's continued employment with the Company. The agreement includes payments in the event of the termination of Mr. Begley following a change of control. This agreement contains a covenant not to compete with the Company.

The executive officers are eligible to participate in a non-qualified deferred compensation plan under which certain employees may elect to defer the receipt of a portion of their salary or bonus otherwise payable to them, and thereby defer taxation of the deferred amounts until actual payment in future years. Participants may elect to defer payment for a specified number of years or until retirement or termination of employment. No compensation was deferred by any executive officers in fiscal 2006, 2005 or 2004.

### COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The Compensation Committee consists of James Sumas, who is an executive officer of the Company serving as the Chairman of the Board of Directors, Chief Executive Officer and Chief Operating Officer; John P. Sumas, who is an executive officer of the Company serving as Executive Vice President; and John J. McDermott, who is a former executive officer of the Company, having resigned as General Counsel in 1983. As noted elsewhere in the Proxy Statement under "Certain Transactions", James Sumas and John Sumas, through Sumas Realty Associates, have certain business relationships with the Company. There are no other compensation committee interlocks between the Company and other entities involving the Company's executive officers and the Company's Board members who serve as executive officers of such other entities.

### REPORT OF THE COMPENSATION COMMITTEE OF THE BOARD OF DIRECTORS ON EXECUTIVE COMPENSATION

The Company's compensation policies, as applicable to its executive officers, are administered by its Compensation Committee of the Board of Directors (the "Committee"). The Chief Executive Officer and most of the other executive officers named in this proxy statement own substantial amounts of the Company's common stock and thus have a direct and substantial interest in the long-term growth of shareholder's wealth. In light of this ownership, there is less need to directly relate executive compensation to long-term Company performance.

The basic criteria used in making determinations concerning compensation for executive officers is the level of compensation paid to comparable executives in the industry, in particular to corporate executives of other ShopRite members and at competing supermarket chains, the financial performance of the Company and other achievements during the most recently completed fiscal year, time devoted to Company affairs, reputation in the industry, record of accomplishments and efforts on the Company's behalf.

The Committee decided to grant performance bonuses in 2006 based on the efforts of those executives in achieving record financial performance in the areas of sales, operating income, EBITDA and net income, despite challenging conditions in the supermarket industry.

The Compensation Committee bases the compensation of the Chief Executive Officer on the same criteria as mentioned above for other executive officers.
