**Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

**(e) Adoption of 401(k) Restoration Plan and Executive Income Deferral Plan.**

On December 8, 2009, the Compensation Committee of the Board of Directors of Mylan Inc. (the Company ) adopted the Mylan 401(k) Restoration Plan (the Restoration Plan ) and the Mylan Executive Income Deferral Plan (the Income Deferral Plan ), both effective as of January 1, 2010.

*The Restoration Plan.* The Restoration Plan permits employees (including the chief executive officer, chief financial officer and other named executive officers) who earn compensation in excess of the limits imposed by Section 401(a)(17) of the Internal Revenue Code of 1986, as amended (the Code ), to (i) defer a portion of base salary and bonus compensation, (ii) be credited with a Company matching contribution in respect of deferrals under the Restoration Plan, and (iii) be credited with Company non-elective contributions (to the extent so made by the Company), in each case, to the extent that participants otherwise would be able to defer or be credited with such amounts, as applicable, under the Company's Profit Sharing 401(k) Plan if not for the limits on contributions and deferrals imposed by the Code. Upon a change in control (as defined in the Restoration Plan), a participant will become 100% vested in any unvested portion of his or her matching contributions or non-elective contributions. Distributions of a participant's vested account balance will be made in a lump sum within sixty days following a participant's separation from service (or such later date as may be required by Section 409A of the Code).

*The Income Deferral Plan.* The Income Deferral Plan permits certain management or highly compensated employees (including the chief executive officer, chief financial officer and other named executive officers) who are designated by the plan administrator to participate in the Income Deferral Plan to elect to defer up to 50% of base salary and up to 100% of bonus compensation, in each case, in addition to any amounts that may be deferred by such participants under the Profit Sharing 401(k) Plan and the Restoration Plan. In addition, eligible participants may be granted employee deferral awards, which awards will be subject to the terms and conditions (including vesting) as determined by the plan administrator at the time such awards are granted. Upon a change in control (as defined in the Income Deferral Plan), a participant will become 100% vested in any unvested portion of his or her employee deferral award. Distributions of vested account balances will be made in a lump sum within sixty days following a participant's separation from service. (or such later date as may be required by Section 409A of the Code).

The Restoration Plan and the Income Deferral Plan are filed as Exhibits 10.1 and 10.2 hereto, respectively, and are incorporated herein by reference. The foregoing descriptions of the Restoration Plan and the Income Deferral Plan do not purport to be complete and are qualified in their entirety by reference to such exhibits.
