**ANNUAL MEETING OF SHAREHOLDERS**

---

**INTRODUCTION**

**General**

The accompanying form of proxy is solicited on behalf of the Board of Trustees of Ramco-Gershenson Properties Trust (the "Trust") for use at the Annual Meeting of Shareholders of the Trust (the "Meeting"). The Meeting is to be held at The Townsend Hotel, 100 Townsend Street, Birmingham, Michigan 48009, on June 13, 2001. The Trust has first mailed these proxy materials on or about April 27, 2001, to holders (the "Shareholders") of common shares of beneficial interest, \$.01 par value ("Common Shares"), and of Series A Convertible Preferred Shares, \$.01 par value per share ("Series A Preferred Shares"), and together with the Common Shares, "Voting Shares"). The Trust's executive offices are located at 27600 Northwestern Highway, Suite 200, Southfield, Michigan 48034 (telephone: (248) 350-9900). Shareholders of record at the close of business on April 11, 2001 (the "Record Date") will be entitled to vote at the Meeting.

Proxies in the accompanying form which are properly executed and duly returned to the Trust and not revoked will be voted as specified and, if no direction is made, will be voted FOR the election of each of management's three nominees for re-election as Trustees and FOR the ratification of Deloitte & Touche LLP as the Trust's independent auditors for fiscal year 2001. Each proxy granted is revocable and may be revoked at any time prior to its exercise by giving notice to the Trust of its revocation. A Shareholder who attends the Meeting in person may, if such Shareholder wishes, vote by ballot at the Meeting, thereby canceling any proxy previously given.

As of the Record Date, 7,100,793 Common Shares of the Trust were outstanding and 1,400,000 Series A Preferred Shares of the Trust were outstanding. The Series A Preferred Shares are entitled to vote on all matters on which the holders of Common Shares are entitled to vote on an "as converted" basis with the holders of Common Shares, as

though all of such Series A Preferred Shares had been converted into Common Shares at the current conversion ratio of 10 Common Shares for each 7 Series A Preferred Shares held. Accordingly, the holders of Series A Preferred Shares are entitled to vote as if they held an aggregate of 2,000,000 Common Shares, amounting to a combined total of 9,100,793 Voting Shares outstanding for purposes of voting at the Meeting. Each Common Share is entitled to one vote, and each Series A Preferred Share is entitled to approximately 1.43 votes on all matters that may come before the Meeting.

## I. ELECTION OF TRUSTEES

### **Employment Agreements**

The Trust is party to employment agreements (collectively, the Ramco Principals Employment Agreements ) with each of Messrs. Bruce Gershenson, Dennis Gershenson, Joel Gershenson, Richard Gershenson and Michael Ward (collectively, the Ramco Principals ). The Ramco Principals Employment Agreements each had an initial period of three years commencing on May 10, 1996, subject to automatic one year extensions thereafter, provided the Board of Trustees has considered the extension of such term not more than 90 days nor less than 30 days prior to the expiration of the term. The employment agreement for each of the Ramco Principals was automatically extended for one year to May 9, 2000 and subsequently extended for one year to May 9, 2001. Pursuant to such agreements each Ramco Principal receives an annual base salary and such other fringe benefits and perquisites as are generally made available to management employees of the Trust. In addition to base salary, the Ramco Principals receive annual performance-based compensation as determined by the Compensation Committee, but not less than a specified percentage of the increase in funds from operation of the Trust for the prior year.

The Ramco Principals Employment Agreements provide for certain severance payments in the event of death or disability. In addition, each of the Ramco Principals Employment Agreements provides that if the Ramco Principal is terminated without cause or he terminates his employment for good reason (as defined below), such executive officer will be entitled to receive a severance payment equal to 1.99 times the base amount (as defined in the Internal Revenue Code of 1986, as amended) and, for the duration of the term, those fringe benefits provided for under such agreement. Good reason includes diminution in authority, change of location, fewer than two Ramco Principals serving as members of the Board of Trustees or the Ramco Principals constituting less than 20% of the members of the Board, and a change of control. A

### **Table of Contents**

change of control will occur if any person or group of commonly controlled persons other than the Ramco Principals or their affiliates owns or controls, directly or indirectly, more than 25% of the voting control or value of the capital stock (or securities convertible or exchangeable therefor) of the Trust.

The Ramco Principals Employment Agreements provide that the Ramco Principals will conduct all of their real estate ownership, acquisition, management and development activities (other than certain limited activities relating to their existing fast food franchise and other businesses and activities relating to certain excluded assets) through the Trust. In connection therewith, the Ramco Principals have agreed to offer real estate opportunities of which they become aware (other than opportunities relating to certain excluded assets) to the Trust.

The Ramco Principals Employment Agreements also provide that the Trust will indemnify each Ramco Principal to the fullest extent permitted by law, and will advance to such executive officer all related expenses, subject to reimbursement if it is subsequently determined that indemnification is not permitted.

The Trust is also party to a three year employment agreement (the Smith Employment Agreement ) dated April 15, 1996 with Richard J. Smith, the Trust's Chief Financial Officer. Pursuant to the Smith Employment Agreement, Mr. Smith received a base salary for 1996 equal to an annual rate of \$150,000, plus a bonus of \$25,000, prorated for the number of weeks that Mr. Smith was employed during 1996. For subsequent calendar years, the Smith Employment Agreement provided that Mr. Smith will receive a base salary and bonus as will be determined from time to time by the Trust's Board of Trustees, in its sole discretion; provided, that in no event will Mr. Smith's base salary be less than \$150,000 on an annualized basis nor will his base salary plus bonus be less than \$175,000 on an annualized basis. Pursuant to recommendations made by an independent consulting firm, the Compensation Committee approved

an increase in base salary to \$225,000 for Mr. Smith effective January 1, 2000. The Smith Employment Agreement also provided that if Mr. Smith is terminated by the Trust prior to the expiration of the term of such agreement and within 12 months after a change of control, Mr. Smith will be entitled to receive as termination pay (i) the pro rata portion of his then current salary through the date of termination, (ii) an additional amount equal to one year's salary at the rate in effect on the date of termination, (iii) an amount equal to the most recent bonus paid to Mr. Smith prior to his termination and (iv) a continuation of all fringe benefits for a period of one year following such termination. In addition, upon a change of control, any stock options or other plan benefits, if any, remaining unvested will immediately vest. The Smith Employment Agreement uses a change of control definition similar to that used by the Ramco Principals' Employment Contracts, as described above.

### **Compensation Committee Report**

The Compensation Committee of the Board of Trustees (the Committee) is responsible for administering the Trust's senior management compensation program. The Committee is composed entirely of independent Trustees who are not employees of the Trust; the individual members are listed below. None of these individuals has any interlocking or other relationships with the Trust that would call into question their independence as Committee members.

Except as otherwise described below, the Committee has general review authority over compensation levels of, and sets the compensation of, all corporate officers and key management personnel of the Trust. The Committee also administers employee benefit and incentive compensation programs, and considers and recommends to the Board new benefit programs.

Pursuant to adopted rules designed to enhance disclosure of companies' policies toward executive compensation, set forth below is a report of the Committee addressing the Trust's compensation policies for

2000 as they affected the Trust's current Chief Executive Officer and President, Dennis Gershenson, and its other senior executives, Joel Gershenson, Chairman of the Board, Richard Smith, Chief Financial Officer, Bruce Gershenson, Executive Vice President and Treasurer, Richard Gershenson, Executive Vice President and Secretary and Michael Ward, Executive Vice President and Chief Operating Officer, respectively, of the Trust.

The compensation of each of Messrs. Dennis Gershenson, Joel Gershenson, Bruce Gershenson, Richard Gershenson, Michael Ward and Richard Smith was set pursuant to three year employment agreements between each such individual and the Trust. These agreements contained provisions for, among other things, calculating the base salary paid to such executive officers, as well as (in the case of the Ramco Principals) formulae used to determine bonus payments to such individuals.

With respect to the Ramco Principals, their respective employment agreements provided for base salaries which have been increased since the execution of the agreements, based on the advice of FPL Associates, the independent consultants engaged by the Compensation Committee. Such agreements also contain provisions which provide bonuses based on the improvement of the Trust's Funds from Operations from one fiscal year to the next, and the Compensation Committee believes that the Ramco Principals' ownership of OP Units (which are convertible into Common Shares) provide significant incentive to improve the Trust's operating results and enhance share value.

The compensation package offered by the Trust to its other senior executives is intended to enable the Trust to attract, motivate and retain qualified senior management, taking into account both annual and long-term performance

goals of the Trust and recognizing individual initiative and achievements. Executive compensation generally consists of base salary and annual bonus, as well as a combination of benefit programs.

The Compensation Committee engaged the services of FPL Associates, an executive compensation consulting firm, to assess the overall competitiveness of the Trust's compensation program as it relates to the Trust's executive officers, senior management and its Board of Trustees and to design a comprehensive executive compensation plan for the management team and the Board. Based on the results of such study, the Trust has implemented certain aspects of the program's recommendations for calendar years 1999 and 2000 and has retained FPL Associates to implement additional components of the study.

The Committee has reviewed the Trust's compensation policies in light of the addition of Section 162(m) to the Internal Revenue Code, which generally limits deductions for compensation paid to certain executive officers to \$1,000,000 per annum (although certain performance based compensation was not subject to that limit), and determined that the compensation levels of the Trust's executive officers were not at a level that would be affected by such amendments. The Committee intends to continue to review the application of Section 162(m) to the Trust with respect to any future compensation programs considered by the Trust.

#### **Compensation of Trustees**

The independent Trustees each received \$12,500 and 800 Common Shares purchased by the Trust at a cost of \$11,523, as compensation for serving as a Trustee in 2000, plus reimbursement of travel expenses and other out-of-pocket disbursements incurred in connection with attending any meetings. Messrs. Joel Gershenson and Dennis Gershenson did not receive any compensation for their services as Trustees.

During 2000, the independent Trustees received individual grants of stock options under the 1997 Non-Employee Trustee Stock Option Plan which was approved by the Trust's shareholders on June 10, 1997. Each of the Trustees received a grant of 2,000 stock options on June 7, 2000 with an exercise price of \$14.75. The options vest and become exercisable in installments on each of the first two anniversaries of the date of grant and expire ten years after the date of grant.

#### *Other Matters*

Ramco, a subsidiary of the Trust which provides property management and leasing services to properties owned by the Operating Partnership and other affiliates of the Trust, as well as to other third party property owners, provides property management services to various entities and properties owned and/or controlled by the Ramco Principals, each of whom are executive officers and/or Trustees of the Trust. Management of the Trust believes that these services are provided on terms no less favorable than terms that could be obtained on an arm s length basis. During fiscal year ended December 31, 2000, Ramco charged an aggregate of approximately \$564,000 in respect of such services to entities owned and/or controlled by the Ramco Principals. Ramco was owed \$337,000 as of December 31, 2000 by various entities owned or controlled by the Ramco Principals incurred in the ordinary course of business for the ongoing services as described above.

In addition to the services described in the preceding paragraph, personnel of Ramco provide accounting and other administrative services for entities owned and/or controlled by the Ramco Principals. The entities that receive such services reimburse Ramco for the payroll costs incurred by Ramco in providing such services. In the fiscal year ended December 31, 2000, entities owned and/or controlled by the Ramco Principals were charged an aggregate of approximately \$80,000 by Ramco for such accounting and other administrative services.

### **Compliance with Section 16(A) of the Securities Exchange Act of 1934**

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Trust s officers and Trustees and persons who own more than ten percent of a registered class of the Trust s equity securities to file reports of ownership and changes in ownership with the Securities and Exchange Commission (the Commission ) and the New York Stock Exchange. Officers, Trustees and greater than ten percent Shareholders are required by regulation of the Commission to furnish the Trust with copies of all Section 16(a) forms they file.

With respect to the fiscal year ended December 31, 2000, Mr. Joel Gershenson is filing one Form 4 late covering a total of five transactions. Mr. Dennis Gershenson on one occasion filed a Form 4 late covering one transaction. Mr. Michael Ward is filing one Form 4 late, covering one transaction. Based solely on its review of the copies of such forms received by it, or written representation from certain reporting persons that no Form 5 were required for those persons, the Trust believes that all other required filings by executive officers and Trustees of the Trust were made on a timely basis.

## **II. INDEPENDENT PUBLIC ACCOUNTANTS**

The firm of Deloitte & Touche LLP has been appointed as independent auditors for the Trust by the Trust's Board of Trustees to examine and report on financial statements for the fiscal year ending December 31, 2001 which appointment will be submitted to shareholders for ratification at the Meeting. Deloitte & Touche LLP audited and reported on the Trust's financial statements for the fiscal year ended December 31, 2000. During the year ended December 31, 2000, Deloitte & Touche LLP provided various

audit and tax related services to the Trust and its consolidated subsidiaries. Set forth below are the aggregate fees billed for these services:

(a) **Audit Fees** Aggregate fees of \$91,550 were billed for professional services rendered for the audit of the Trust's fiscal 2000 consolidated financial statements included in its annual report on Form 10-K and the review of the financial statements included in the Trust's quarterly reports on Form 10-Q.

(b) **All other fees** Aggregate fees of \$344,970 were billed for other services including tax-related services.

The Audit Committee discussed the non-audit services with Deloitte & Touche LLP and determined that their provision of these services is compatible with maintaining Deloitte & Touche LLP's independence.

Representatives of that firm are expected to be present at the Meeting, with the opportunity to make a statement if they desire to do so, and to be available to respond to appropriate questions. The affirmative vote of a majority of the Voting Shares present and entitled to vote at the Meeting is required to ratify appointment of the independent auditors. Submission of the appointment of the auditors to the Shareholders for ratification will not limit the authority of the Board of Trustees to appoint another accounting firm to serve as independent auditors if the present auditors resign or their engagement is otherwise terminated. If the Shareholders do not ratify the appointment of Deloitte & Touche LLP at the Meeting, management intends to call a special meeting of Shareholders to be held as soon as practicable after the Meeting to ratify the appointment of another independent public accounting firm as independent auditors of the Trust.

## **SHAREHOLDERS PROPOSALS**

Any proposal by a Shareholder of the Trust intended to be presented at the 2002 Annual Meeting of Shareholders must be received by the Trust at its principal executive office not later than December 28, 2001 for inclusion in the Trust's proxy statement and form of proxy relating to that meeting. Any such proposal must also comply with other requirements of the proxy solicitation rules of the Commission.

The Trust must receive notice of any proposal of Shareholders that are intended to be presented at the Trust's 2002 Annual Meeting of Shareholders, but that are not intended to be considered for inclusion in the Trust's proxy statement and proxy related to that meeting, no later than December 28, 2001 to be considered timely. Such proposals should be sent by certified mail, return receipt requested and addressed to Ramco-Gershenson Properties Trust, 27600 Northwestern Highway, Suite 200, Southfield, Michigan 48034, Attention: Investor Relations. Trustees are elected by a plurality of the votes cast at the Annual Meeting. Only shares that are voted in favor of a particular nominee will be counted toward such nominee's achievement of a plurality. Shares present at the Meeting that are not voted for a particular nominee or shares present by proxy where the Shareholder properly withheld

authority to vote for such nominee (including broker non-votes) will not be counted toward such nominee's achievement of a plurality.
