**PROXY STATEMENT**

**ANNUAL MEETING OF SHAREHOLDERS**

**INTRODUCTION**

**General**

The accompanying form of proxy is solicited on behalf of the Board of Trustees of Ramco-Gershenson Properties Trust (the "Trust") for use at the Annual Meeting of Shareholders of the Trust (the "Meeting"). The Meeting is to be held at The Townsend Hotel, 100 Townsend Street, Birmingham, Michigan 48009, on June 7, 2005. The Trust has first mailed these proxy materials on or about April 29, 2005, to holders (the "Shareholders") of common shares of beneficial interest, \$.01 par value ("Shares") of the Trust. The Trust's executive offices are located at 31500 Northwestern Highway, Suite 300, Farmington Hills, Michigan 48334 (telephone: (248) 350-9900). Shareholders of record at the close of business on April 12, 2005 (the "Record Date") will be entitled to vote at the Meeting. Costs of solicitation of proxies, which may be done by employees of the Trust or by one or more parties engaged by the Trust, will be borne by the Trust.

Trustees are elected by a plurality of the votes cast at the Annual Meeting. Only Shares that are voted in favor of a particular nominee will be counted toward such nominee's achievement of a plurality. Shares present at the Meeting that are not voted for a particular nominee or Shares present by proxy where the Shareholder properly withheld authority to vote for such nominee (including broker non-votes) will not be counted toward such nominee's achievement of a plurality. An automated system administered by the transfer agent tabulates the votes. Abstentions and broker non-votes are each included in the determination of the number of Shares present and voting for purposes of determining the presence of a quorum. Each is tabulated separately.

Each proxy granted is revocable and may be revoked at any time prior to its exercise by giving notice to the Trust of its revocation. A Shareholder who attends the Meeting in person may, if such Shareholder wishes, vote by ballot at the Meeting, thereby canceling any proxy previously given.

As of the Record Date, 16,833,441 Shares were outstanding. Each Share is entitled to one vote on all matters that may come before the Meeting.

**ELECTION OF TRUSTEES**

At the Meeting, two Trustees comprising the Class II Trustees are to be elected for three-year terms expiring in 2008. It is intended that votes will be cast pursuant to proxies received from Shareholders of the Trust FOR the nominees listed hereinafter, each of whom is presently a Trustee of the Trust, unless contrary instructions are received.

If for any reason any of the nominees becomes unavailable for election, the proxies solicited will be voted for such nominees as are selected by management. Management has no reason to believe that any of the

nominees will not be available or will not serve if elected. The election of each Trustee will be decided by a plurality of the Shares present and entitled to vote at the Meeting.

**Long-Term Incentive Plans Awards in Last Fiscal Year**

The following table shows long-term incentive awards granted to the Named Executive Officers in 2004 under the Trust's 2003 Long-Term Incentive Plan. The awards granted to each of the Named Executive Officers contained both a restricted stock component and a cash component. The payout of the awards is tied to the Trust's performance over the performance period, which will be evaluated using three measures: EBIDA return on assets (weighted 30%), growth in funds from operations (weighted 30%) and relative total shareholder returns (weighted 40%). If the minimum or threshold performance level is met or exceeded, the percentage of the target award that will eventually be paid to the Named Executive Officers will depend on the Trust's performance relative to the targets over the performance period.

Name	Number of Shares, Units or Other Rights (#)	Performance or Other Period Until Maturity or Payout	Estimated Future Payouts Under Non-Stock Price-Based Plan

- (1) Represents restricted stock component of award. If the minimum performance level is met, the applicable number of shares of restricted stock will be issued to the officer after the end of the performance period, and the restrictions on one-third of the shares will lapse on March 1 of each year beginning March 1, 2008.
- (2) Represents cash component of award. If the minimum performance level is met, the applicable cash amount will be paid to the officer in three equal annual installments beginning on March 1, 2008.

(1) Includes Shares the receipt of which has been deferred by the Named Executive Officers pursuant to Election and Option Deferral Agreements, as discussed below.

**Option Deferral Agreements**

In December 2003, the Trust and each of the Named Executive Officers entered into Election and Option Deferral Agreements (the "Deferral Agreements") with respect to stock options previously granted to the Named Executive Officers. The Deferral Agreements provide for the deferral of gains (i.e., the difference between the fair market value of the Shares subject to the option and the aggregate exercise price of the option) that would be recognized by each Named Executive Officer upon his exercise of the options. In December 2004, each of the Named Executive Officers exercised some or all of his vested stock options and paid the exercise price for the options by surrendering Shares in accordance with the terms of the Trust's 1996 Share Option Plan and the Deferral Agreements. As a result of such exercise, the Named Executive Officers deferred the receipt of an aggregate of 89,806 Shares (the "Deferred Shares"). Until the Deferred Shares are issued, the Named Executive Officers will receive distribution equivalents on the Deferred Shares in the form of cash payments as and when the Trust pays dividends on the Shares outstanding.

**Employment Agreements**

The Trust has entered into employment agreements with Dennis Gershenson and Richard Gershenson, the Trust's President and Chief Executive Officer, and Executive Vice President and Secretary, respectively, which agreements each had an initial period of three years commencing on May 10, 1996, subject to automatic one year extensions thereafter, provided the Board of Trustees has considered the extension of such term not more than 90 days nor less than 30 days prior to the expiration of the term. Each of these employment agreements has been automatically extended through May 9, 2005. Pursuant to such agreements, each officer receives an annual base salary and such other fringe benefits and perquisites as are generally made available to our management employees. In addition to base salary, the officers receive annual performance-based compensation as determined by the Compensation Committee.

These employment agreements provide for certain severance payments in the event of death or disability. In addition, each of the agreements provides that if the officer is terminated without cause or he terminates his employment for "good reason" (as defined below), he will be entitled to receive a severance payment equal to

**Table of Contents**

1.99 times the base amount (as defined in Internal Revenue Code of 1986, as amended) and, for the duration of the term, those fringe benefits provided for under such agreement. Good reason includes diminution in authority, change of location, fewer than two of Messrs. Joel Gershenson, Dennis Gershenson, Richard Gershenson, Bruce Gershenson and Michael Ward (collectively, the Ramco Principals ) serving as members of the Board of Trustees or the Ramco Principals constituting less than 20% of the members of the Board of Trustees, and a change of control. A change of control will occur if any person or group of commonly controlled persons other than the Ramco Principals or their affiliates owns or controls, directly or indirectly, more than 25% of the voting control or value of the capital stock (or securities convertible or exchangeable therefore) of the Trust.

The employment agreements provide that Dennis Gershenson and Richard Gershenson will conduct all of their real estate ownership, acquisition, management and development activities (other than certain limited activities relating to their existing fast food franchise and other businesses and activities relating to certain excluded assets) through the Trust. In connection therewith, these officers have agreed to offer to the Trust real estate opportunities of which they become aware (other than opportunities relating to certain excluded assets).

The employment agreements also provide that the Trust will indemnify each officer to the fullest extent permitted by law, and will advance to such executive officer all related expenses, subject to reimbursement if it is subsequently determined that indemnification is not permitted.

**Compensation Committee Report**

The Compensation Committee of the Board of Trustees (the Committee ) is responsible for administering the Trust's senior management compensation program. The Committee is composed entirely of independent Trustees who are not employees of the Trust; the individual members are listed below. None of these individuals has any interlocking or other relationships with the Trust that would call into question their independence as Committee members.

Except as otherwise described below, the Committee has general review authority over compensation levels for, and sets the compensation for, all corporate officers and key management personnel of the Trust. The Committee also administers employee benefit and incentive compensation programs and considers and recommends to the Board new benefit programs.

Pursuant to adopted rules designed to enhance disclosure of companies' policies toward executive compensation, set forth below is a report of the Committee addressing the Trust's compensation policies for 2004 as they affected the Trust's current Chief Executive Officer and President, Dennis Gershenson, and its other senior executives, Richard Smith, Chief Financial Officer, and Richard Gershenson, Executive Vice President and Secretary, respectively, of the Trust.

The initial compensation of each of Messrs. Dennis Gershenson and Richard Gershenson was set pursuant to three year employment agreements signed in 1996 between each such individual and the Trust. These agreements, which have been extended, contained provisions for, among other things, calculating the base salary paid to such executive officers.

The employment agreements for Messrs. Dennis Gershenson and Richard Gershenson contain provisions for automatic one year extensions. Their respective employment agreements provided for base salaries which

**Table of Contents**

have been increased since the execution of the agreements, based on the advice of FPL Associates, the independent consultants engaged by the Compensation Committee.

The Compensation Committee engaged the services of two executive compensation consulting firms, FPL Associates and Mercer Human Resource Consulting, to assess the overall competitiveness of the Trust's compensation program as it relates to the Trust's executive officers and senior management and to design a comprehensive executive compensation plan for the management team. Based on the results of such study, the Trust has implemented certain aspects of the program's recommendations for calendar year 2004.

The compensation package offered by the Trust to its other senior executives is intended to enable the Trust to attract, motivate and retain qualified senior management, taking into account both annual and long-term performance goals of the Trust and recognizing individual initiative and achievements. Executive compensation generally consists of base salary, annual bonus, stock option grants and long-term incentive awards in the form of cash and/or restricted share awards, as well as a combination of benefit programs.

The Committee has reviewed the Trust's compensation policies in light of the addition of Section 162(m) to the Internal Revenue Code, which generally limits deductions for compensation paid to certain executive officers to \$1,000,000 per annum (although certain performance based compensation was not subject to that limit), and determined that the compensation levels of the Trust's executive officers were not at a level that would be affected by such amendments. The Committee intends to continue to review the application of Section 162(m) to the Trust with respect to any future compensation programs considered by the Trust.

Each non-employee Trustee receives an annual retainer of \$15,000, a grant of 1,000 Shares and a grant of an option to purchase 2,000 Shares under the Trust's 2003 Non-Employee Trustee Stock Option Plan. The Chairman of the Audit Committee receives an additional annual retainer of \$10,000 and each other member of the Audit Committee receives an additional annual retainer of \$5,000. Non-employee Trustees also receive a fee of \$1,500 per meeting attended (\$500 for attendance by telephone), plus reimbursement of all travel expenses and other out-of-pocket disbursements incurred in connection with attending any meetings.

Payment of the additional retainer for the Chairman and members of the Audit Committee and meeting fees are subject to attendance by the applicable Trustee at 75% or more of the Board of Trustee and applicable committee meetings during the calendar year in question.

Trustees who are employees or officers of the Trust or any of its subsidiaries (including Messrs. Joel Gershenson and Dennis Gershenson) do not receive any compensation for serving on the Board of Trustees or any committees thereof.

During the year ended December 31, 2004, Ramco charged an aggregate of approximately \$216,000 in respect of such services to entities owned and/or controlled by the Ramco Principals. Ramco was owed approximately \$30,000 as of December 31, 2004 by various entities owned or controlled by the Ramco Principals incurred in the ordinary course of business for the ongoing services as described above.

Ramco-Gershenson, Inc. provides property management, accounting and other administrative services to Ramco/Shenandoah LLC, 60% of which is owned by an entity a portion of which is beneficially owned by various family partnerships and trusts under the control of two uncles of Joel Pashcow, a Trustee of the Trust, and a portion of which is beneficially owned by various trusts for the benefit of members of Mr. Pashcow's immediate family. Mr. Pashcow is a trustee of several of these trusts. Ramco/Shenandoah LLC owns the Shenandoah Square shopping center which has approximately 119,000 square feet. The Trust believes that the terms of the management agreement with Ramco/Shenandoah LLC are no less favorable than terms that could be obtained on an arm's length basis. During the year ended December 31, 2004, Ramco-Gershenson, Inc. charged approximately \$169,000 in respect of these services to Ramco/Shenandoah LLC and was owed approximately \$24,000 as of December 31, 2004 for those services.

### **Compliance with Section 16(a) of the Securities Exchange Act of 1934**

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Trust's officers and Trustees and persons who own more than ten percent of a registered class of the Trust's equity securities to file reports of ownership and changes in ownership with the SEC and the New York Stock Exchange. Officers, Trustees and greater than ten percent Shareholders are required by regulation of the Commission to furnish the Trust with copies of all Section 16(a) forms they file.

Based solely on its review of the copies of such forms received by it, or written representation from certain reporting persons that no Form 5 were required for those persons, the Trust believes that all required filings by executive officers and Trustees of the Trust and persons that own more than ten percent of the Shares were made on a timely basis, except that each of the following persons filed one Form 4 with respect to stock option exercises late: Bruce Gershenson (four transactions), Dennis Gershenson (four transactions), Joel Gershenson (four transactions), Richard Gershenson (four transactions), Richard Smith (two transactions) and Michael Ward (four transactions); and each of the following persons filed one Form 4 with respect to receipt

of an option grant (one transaction) late: Stephen Blank, Arthur Goldberg, James Grosfeld, Robert Meister, Joel Pashcow and Mark Rosenfeld.

**INDEPENDENT PUBLIC ACCOUNTANTS**

**Change in Accountants**

On April 7, 2005, the Audit Committee of the Board of Trustees sent a Request for Proposal for auditing services to Deloitte. The Audit Committee also sent the Request for Proposal to several other public accounting firms. Deloitte declined to participate in the Request for Proposal process, and instead, by a letter dated April 11, 2005, Deloitte declined to stand for re-election as the Trust's independent registered public accounting firm. The Trust has not yet engaged a new independent registered public accounting firm.

Deloitte's reports on the Trust's financial statements for the past two fiscal years did not contain an adverse opinion or a disclaimer of opinion, and were not qualified or modified as to uncertainty, audit scope or accounting principles, except that Deloitte's report, dated March 25, 2005, on the Trust's December 31, 2004, 2003 and 2002 financial statements included an explanatory paragraph relating to the restatement of the Trust's 2003 and 2002 financial statements.

During the Trust's two most recent fiscal years and the subsequent interim period, there were no disagreements with Deloitte on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of Deloitte, would have caused it to make a reference to the subject matter of the disagreement in connection with its reports, except that Deloitte stated in a letter to the Audit Committee, dated March 25, 2005, that Deloitte had disagreements with the Trust's management relating to the classification of the loss on an interest in an unconsolidated entity as a loss on sale instead of an impairment loss and that Deloitte disagreed with the recognition of a gain on a transaction in the second quarter of 2004, but that management recorded adjustments to the Trust's financial statements to properly present those two items and the disagreements had been resolved. The Audit Committee discussed the disagreements with Deloitte, and the Trust has authorized Deloitte to respond fully to the inquiries of the Trust's successor accountants concerning the subject matter of the disagreements.

During the Trust's two most recent fiscal years and the subsequent interim period, there have been no events of the type required to be reported pursuant to Item 304(a)(1)(v) of Regulation S-K promulgated by the SEC pursuant to the Securities Exchange Act of 1934, as amended, except that Deloitte's report dated March 25, 2005, regarding management's assessment of internal controls over financial reporting, expressed an adverse opinion on the Trust's internal controls over financial reporting because of a material weakness identified in the financial closing process. Management and financial closing and reporting personnel had not evaluated events, subsequent to the balance sheet date, impacting the preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America. The material weakness resulted from a deficiency in the operation of internal control and resulted in a material misstatement of employee bonuses. The Trust's consolidated financial statements for the years ended December 31, 2003 and 2002 were restated to correct the material misstatements of previously reported accrued expenses and general and administrative expenses for those periods. The material weakness had been identified and included in management's assessment of internal controls. The material weakness was considered by Deloitte in determining the nature, timing, and extent of audit tests applied in its audit of the

**Table of Contents**

Trust's consolidated financial statements and financial statement schedule as of and for the year ended December 31, 2004, and the report did not affect Deloitte's report on such financial statements and financial statement schedule. The Audit Committee discussed the material weakness with Deloitte, and the Trust has authorized Deloitte to respond fully to the inquiries of the Trust's successor accountants concerning the subject matter of the material weakness.

The Trust has provided Deloitte with a copy of the disclosures made above and requested that Deloitte furnish the Trust with a letter addressed to the SEC stating whether Deloitte agrees with such disclosures and, if not, stating the respects in which it does not agree. A copy of the letter, dated April 26, 2005, provided by Deloitte in response to such request is included as an exhibit to the Amendment No. 1 to Form 8-K/A filed by the Trust with the SEC on April 26, 2005.

**Fees During Year Ended December 31, 2004**

Deloitte audited and reported on the Trust's financial statements for the year ended December 31, 2004. During the year ended December 31, 2004, Deloitte provided various audit and tax related services to the Trust and its consolidated subsidiaries. Set forth below are the aggregate fees billed for these services:

- (a) **Audit Fees** Aggregate fees of \$857,118 and \$349,745, respectively, were billed for professional services rendered for the audit of the Trust's 2004 and 2003 consolidated financial statements included in its annual report on Form 10-K and the review of the financial statements included in the Trust's quarterly reports on Form 10-Q.
- (b) **Audit-Related Fees** Aggregate fees of \$28,032 and \$14,262, respectively were billed for audit-related services rendered in 2004 and 2003. The 2004 audit-related fees include services in connection with the audits of acquired properties, along with work related to Sarbanes-Oxley Act readiness. The 2003 audit-related fees include work related to Sarbanes-Oxley Act readiness.
- (c) **Tax fees** Aggregate fees of \$346,733 and \$300,048, respectively, were billed for tax services in 2004 and 2003. Tax services principally include tax compliance, tax advice and tax planning. Tax fees for 2004 consist of \$236,989 for tax compliance and preparation, \$55,691 related to an equity offering completed in 2004, and \$54,053 for other tax services. Tax fees for 2003 consist of \$204,098 for tax compliance and preparation, \$36,159 related to the two equity offerings completed in 2003, and \$59,791 for other tax services.
- (d) **All other fees** No fees were billed for all other services in 2004. Aggregate fees of \$3,416 were billed for all other services in 2003.

The Audit Committee has established a policy which requires pre-approval by the Committee for any services to be rendered by the Trust's independent auditors which are not audit services. The Audit Committee discussed the non-audit services with Deloitte and determined that their provision of these services is compatible with maintaining Deloitte's independence. In 2004, 100% of the services described in categories (b) through (d) above were approved by the Audit Committee.

Representatives of Deloitte are expected to be present at the Meeting, with the opportunity to make a statement if they desire to do so, and to be available to respond to appropriate questions.
