Item 2.01 Completion of Acquisition or Disposition of Assets

Superior Industries International, Inc. (Superior), as seller, entered into an Asset Purchase Agreement (Agreement) with Saint Jean Industries, Inc., a Delaware corporation, as buyer, and the buyer s parent, Saint Jean Industries, SAS, a French simplified joint stock company, for substantially all of the assets and working capital of Superior s suspension components business located in Heber Springs, Arkansas (Suspension Components Business), and associated real estate. Subject to post closing adjustments and indemnification obligations, the \$17.0 million purchase of the suspension components business by Saint Jean Industries, Inc., including a \$2.0 million promissory note, was funded and completed on September 28, 2006 with title, risk and rewards transferring as of September 24, 2006. \$5.0 million of the purchase price is to be paid after the completion date pending finalization of financing of that portion of the purchase price. Superior is retaining an equal amount of accounts receivable of the business until such amount is paid. All financial and pro forma information herein assumes full and timely payment of such amount. The \$2.0 million promissory note is due in two equal installments on the 24th and 36th month anniversary date of the completion date, and bears interest at LIBOR plus 1%, adjusted quarterly. In addition, the buyer will assume selected liabilities of the business. During 2006, the assets and liabilities being sold have been designated as held for sale and the operating results have been reflected as discontinued operations in the first and second Quarterly Reports on Form 10-Q. This Form 8-K supersedes and corrects the September 22, 2006 press release by Superior attached here to as Exhibit 99.1 solely with respect to the completion date stated in such press release.

This Form 8-K contains statements that are forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. These statements are based on current expectations, estimates and projections about the company s business based, in part, on assumptions made by management. These statements are not guarantees of future performance and involve risks, uncertainties and assumptions that are difficult to predict. Therefore, actual outcomes and results may differ materially from what is expressed or forecasted in such forward-looking statements due to numerous factors and risks discussed from time to time in the company s Securities and Exchange Commission filings and reports. In addition, such statements could be affected by general industry and market conditions and growth rates, and general domestic and international economic conditions. Such forward-looking statements speak only as of the date on which they are made and the company does not undertake any obligation to update any forward-looking statement to reflect events or circumstances after the date of this release.

Item 9.01 Financial Statements and Exhibits

(b) Pro Forma Financial Information

The accompanying unaudited pro forma consolidated financial information of Superior Industries International, Inc. reflects the sale of substantially all of the assets of the suspension components business in accordance with the terms of the sale agreement and has been prepared pursuant to rules and regulations of the United States Securities and Exchange Commission. The unaudited pro forma consolidated financial statements are presented for illustrative purposes only and, therefore, are not necessarily indicative of the operating results and financial position that might have been achieved had the sale occurred as of an earlier date, nor are they necessarily indicative of operating results and financial position that may occur in the future. The unaudited pro forma consolidated financial statements do not reflect the use of the estimated net cash proceeds in our ongoing operations or the effect on our future financial position. The unaudited pro forma consolidated financial statements should be read in conjunction with the historical consolidated financial statements and notes thereto in the Annual Report on Form 10-K for the year ended December 25, 2005.

The following Pro Forma Consolidated Statement of Operations presentation gives effect to the sale of the suspension components business as if it had occurred on the first day of fiscal years 2005, 2004 and 2003. The column titled Elimination of Suspension Components Business on the following statements of operation represents the direct revenues and costs associated with the suspension components business. The following Pro Forma Consolidated Balance Sheet presentation gives effect to the sale of the suspension components business as if it had occurred June 25, 2006.
