Definitive Proxy Statement Filed. Universal Compression Holdings, Inc., a Delaware corporation (the "Company"), filed a definitive proxy statement (the "Definitive Proxy Statement") with the Securities and Exchange Commission on

## Edgar Filing: UNIVERSAL COMPRESSION HOLDINGS INC - Form 8-K

January 2, 2001 seeking approval by its shareholders of the issuance of 13,750,000 shares of the Company's common stock, par value \$0.01 per share, to WEUS Holding, Inc., pursuant to the Agreement and Plan of Merger dated as of October 23, 2000 by and among the Company, Universal Compression, Inc., a Texas corporation and wholly owned subsidiary of the Company ("UCI"), Weatherford International, Inc., a Delaware corporation ("Weatherford"), WEUS Holding, Inc., a Delaware corporation and wholly owned subsidiary of Weatherford ("WEUS"), and Enterra Compression Company, a Delaware corporation and wholly owned subsidiary of WEUS ("Enterra"), which provides for the merger of Enterra with and into UCI (the "Merger"). The Company is also seeking shareholder approval of an amendment to the Company's Incentive Stock Option Plan that would increase the number of shares available for issuance under the plan by 1,100,000 shares to a total of 3,012,421 shares. The Definitive Proxy Statement is incorporated herein by reference.

The Merger is subject to various conditions, including the approval by the Company's shareholders of the share issuance, the refinancing of indebtedness, to the extent required, and operating lease arrangements of the Company and Weatherford Global Compression Services, L.P. ("Weatherford Global"), which is discussed below, regulatory approvals and other customary conditions. The waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976 expired December 14, 2000. There can be no assurance that the Merger will be consummated, or that any or all of the new indebtedness and operating lease arrangements will be obtained or, if obtained, will be on favorable terms.

The Definitive Proxy Statement includes certain unaudited pro forma combined condensed financial information and historical financial statements in connection with the proposed Merger. Such pro forma information is based on the Company's and Enterra's historical financial statements and has been prepared to illustrate the effect of the proposed Merger. The unaudited pro forma combined condensed information is provided for informational purposes only and does not purport to represent what the Company's financial position or results of operations would actually have been had the Merger occurred on such dates or to project its results of operations or financial position for any future period.

Proposed Refinancing of Indebtedness. If the proposed Merger is consummated, the Company will refinance its existing indebtedness, to the extent required, and operating lease arrangements, as well as Weatherford Global's, as described in the Definitive Proxy Statement in the Liquidity and Capital Resources subsection of Management's Discussion and Analysis of Financial Condition and Results of Operations of Universal. The Company issued a press release on January 2, 2001 announcing the commencement of a tender offer with respect to UCI's 9 7/8% Senior Discount Notes due 2008, as well as a consent solicitation seeking to amend the indenture governing these notes to eliminate substantially all the restrictive covenants. The total consideration to be paid for each validly tendered note and properly delivered consent will be equal to approximately 101.5% of the accreted value of the notes plus unpaid interest, the

payment of which is conditioned upon consummation of the proposed Merger. A copy of the press release, which is incorporated by reference, is filed herewith as Exhibit 99.2.

Officers of the Company. The Company's employment agreement with Valerie L. Banner, who served as the Company's Senior Vice President and General Counsel, was terminated without cause effective December 8, 2000. Ms. Banner will continue to assist the Company as needed with the proposed new financing arrangements and other legal matters. Mark L. Carlton joined the Company as Senior Vice President and Co-General Counsel in October 2000 and, effective
