Plan Administrator Group 1 Automotive, Inc. 401(k) Savings Plan

Houston, Texas

We have audited the accompanying statements of net assets available for benefits of Group 1 Automotive, Inc. 401(k) Savings Plan (the Plan) as of December 31, 2001 and 2000 and the related statement of changes in net assets available for benefits for the year ended December 31, 2001. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2001 and 2000 and the changes in net assets available for benefits for the year ended December 31, 2001 in conformity with accounting principles generally accepted in the United States of America.

Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedules of Schedule of Nonexempt Transactions and Schedule H, Line 4i - Schedule of Assets (Held at End of Year) are presented for the purpose of additional analysis and are not a required part of the basic financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The supplemental schedules have been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, are fairly stated in all material respects in relation to the basic financial statements taken as a whole.

GROUP 1 AUTOMOTIVE, INC. 401(k) SAVINGS PLAN NOTES TO FINANCIAL STATEMENTS

December 31, 2001 and 2000

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Group 1 Automotive, Inc. (Company or Sponsor) 401(k) Savings Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan, adopted July 1, 1999, covering all employees of the Company who have six months of service and are age eighteen. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions: Each year, participants may contribute up to 15% of pretax annual eligible compensation, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company may contribute a discretionary amount based on the amount the participant contributes to the Plan. The Board of Directors shall determine, by business unit, whether employer matching contributions will be made for the plan year, the matching percentage, and the percentage of a participant's compensation upon which the match shall be based. The matching Company contribution may be in the form of cash or shares of Company Stock or a combination. Contributions are subject to certain limitations. Certain Plan administrative costs have been paid by the Company.

Participant Accounts: Each participant's account is credited with the

participant's contribution and allocation of (a) the Company's contribution, and (b) Plan earnings, and, at times, charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Retirement, Death and Disability: A participant is entitled to 100% of his or her account balance upon retirement, death or disability.

Vesting: Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the remainder of their account plus earnings thereon is based on years of continuous service. A participant is 100% vested after five years of credited service.

Forfeitures: The Plan was amended during 2001 to allow the Plan to use forfeitures to pay for Plan administrative expenses. During the year ended December 31, 2001, forfeited nonvested accounts of \$188,938 were used to reduce employer contributions by \$93,265 and to pay for Plan administrative expenses of \$95,673. As of December 31, 2001 there were \$90,910 remaining forfeited nonvested amounts which will be used to reduce future employer contributions or pay for Plan administrative expenses.

GROUP 1 AUTOMOTIVE, INC. 401(k) SAVINGS PLAN NOTES TO FINANCIAL STATEMENTS

December 31, 2001 and 2000

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Payment of Benefits: On termination of service due to death, disability, or retirement, a participant will receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. The participant may elect to have the distribution received in cash or in shares of Company stock.

In-service Withdrawals: A participant may withdraw from his of her rollover contribution account any or all amounts held in such account at any time. A participant who has attained age 59 1/2 may withdraw from his or her account an amount not exceeding his or her vested account balance. A participant who has suffered financial hardship may withdraw the lesser of his or her vested account balance or the amount of financial hardship as defined in the Plan.

Loan Provisions: Participants may borrow from their fund accounts the lesser of 50% of their vested account balance or \$50,000. The loans are secured by the balance in the participant's account and bear interest.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Investment Valuation and Income Recognition: The Plan's investments are stated at fair value. Quoted market prices are used to value investments. Shares of mutual funds are valued at the net asset value of shares held by the Plan at year end.

Purchases and sales of securities are recorded on a trade-date basis. Interest

income is recorded on the accrual basis. Dividends are recorded on the $\operatorname{ex-dividend}$ date.

Basis of Accounting: The financial statements are prepared on the accrual basis of accounting.

Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures, and actual results may differ from these estimates. It is at least reasonably possible that a significant change may occur in the near term for the estimates of investment valuation.

Payment of Benefits: Benefits are recorded when paid.

NOTE 3 - TRANSFERS FROM OTHER PLANS

During 2001, two qualified plans of the Sponsor were merged into the Plan. The participants of the other plans became participants of this plan as of the date of the merger. The assets of the other plans were transferred to the Plan after the merger date.

In the event of plan termination, participants would become 100% vested in the employer contributions.

NOTE 6 - PARTIES-IN-INTEREST

Parties-in-interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer and certain others. NOTE 8 - INCOME TAX STATUS

The Internal Revenue Service has ruled in a letter dated September 24, 2001 that the Plan is designed under the applicable sections of the Internal Revenue Code and, therefore, is not subject to tax under present income tax law. Once qualified, the Plan is required to operate in conformity with the Internal Revenue Code to maintain its qualification. The Plan has been amended to comply with IRS guidelines and the plan sponsor believes that the Plan continues to qualify and to operate as designed.
