99.3 Press Release, dated April 2, 2003, issued by Monsanto Company

ITEM 9. REGULATION FD DISCLOSURE

On April 2, 2003, Monsanto Company's chief operating officer of North American Operations, Kerry Preete, will address investors at the Deutsche Bank Basic Industries Conference in New York. A press release dated March 21, 2003, issued by Monsanto Company, a slide presentation to be given at the conference, and an additional press release dated April 2, 2003, issued by Monsanto Company, are attached to this report as Exhibits 99.1, 99.2 and 99.3, respectively, and incorporated herein by reference.

We are furnishing the information contained in this report, including the attached slide presentation, pursuant to Regulation FD promulgated by the Securities and Exchange Commission (SEC). This information is furnished pursuant to Item 9 of Form 8-K and shall not be deemed to be filed for the purposes of Section 18 of the Securities Exchange Act of 1934 or otherwise subject to the liabilities of that section, unless we specifically incorporate it by reference in a document filed under the Securities Act of 1933 or the Securities Exchange Act of 1934. By filing this report on Form 8-K and furnishing this information, we make no admission as to the materiality of any information in this report that is required to be disclosed solely by reason of Regulation FD or that the information includes material investor information that is not otherwise publicly available.

The information contained in this report, including the information contained in the attached slide presentation, is summary information that is intended to be considered in the context of our SEC filings and other public announcements that we may make, by press release or otherwise, from time to time. We disclaim any current intention to revise or update the information contained in this report, including the information contained in the attached slide presentation, although we may do so from time to time as our management believes is warranted. Any such updating may be made through the filing of other reports or documents with the SEC, through press releases or through other public disclosure.

Certain statements contained in this report, such as statements concerning our anticipated financial results, current and future product performance, regulatory approvals, currency impact, business and financial plans and other non-historical facts are forward-looking statements. These statements are based on current expectations and currently available information. However, since these statements are based on factors that involve risks and uncertainties, our actual performance and results may differ materially from those described or implied by such forward-looking statements. Factors that could cause or contribute to such differences include, among others: fluctuations in exchange rates and other developments related to foreign currencies and economies; increased generic and branded competition for our Roundup herbicide; the accuracy of our estimates and projections, for example, those with respect to product returns and grower use of our products and related distribution inventory levels; the effect of weather conditions and commodity markets on the agriculture business; the success of our research and development activities and the speed with which regulatory authorizations and product launches may be achieved; domestic and foreign social, legal and political developments, especially those relating to
