AN IMPORTANT MESSAGE TO THE MEXICO FUND STOCKHOLDERS:

February 26, 2002

Dear Fellow Stockholders:

This morning, The Mexico Fund, Inc. (the "Fund") announced that its Board of Directors has approved a limited repurchase program, in a last minute attempt to respond to complaints that we and other stockholders of the Fund have made concerning the Fund's original proposal. The Board's current repurchase proposal merely reinforces our belief that the Directors are not serious about addressing the legitimate wishes of a majority of the Fund's stockholders. The Board's actions demonstrate just how critical it is to elect Directors dedicated to serving the stockholders' interests. PLEASE SIGN, DATE AND RETURN THE ENCLOSED GOLD PROXY CARD IN THE POSTAGE PAID ENVELOPE TODAY!

## Edgar Filing: VALUE CATALYST FUND LTD - Form DFAN14A

### CLARIFICATION AT LAST - BUT TOO LITTLE, TOO LATE

The Fund's original repurchase plan provided that not less than 5% and not more than 25% of the Fund's shares would be repurchased in any 12 month period at not less than 98% of net asset value ("NAV"). The amount and timing of the repurchases were in the sole discretion of the Board.

On February 19, 2002, we confirmed in writing that we sought 25% repurchases in each of the next two quarters, with 10% repurchases in each successive quarter unless the Fund's NAV discount falls below 8%. All repurchases would be at not less than 98% of NAV.

Finally, after intense pressure from us and other stockholders, the Fund's response today was to disregard the desire of a majority of the Fund's stockholders for immediate liquidity and merely to clarify that in the first year of its repurchase plan it only will make 10% repurchases in two tranches, the first after shareholder and SEC approval of the repurchase plan and then again in 6 months. In this morning's press release, the Fund provided no information as to when, or if, the repurchase plan will be declared effective by the SEC.

GIVEN THE BOARD'S TEPID RESPONSE, STOCKHOLDER REPRESENTATION ON THE BOARD IS MORE CRITICAL THAN EVER!

This last minute clarification is too little, too late. It demonstrates how little the Board is willing to offer the stockholders of the Fund. The Board is telling you that, even under intense pressure by the stockholders, it will not even provide you with the maximum liquidity possible under the Fund's own repurchase plan.

Moreover, the Fund has not committed to provide liquidity for stockholders - through a cash tender or otherwise - at not less than 98% of NAV if the Fund's revised repurchase plan is not implemented within a reasonable timetable.

OUR NOMINEES ARE COMMITTED TO DELIVERING  
THE FUND'S TRUE VALUE TO ALL STOCKHOLDERS

We have nominated for election as Directors Javier Lozano Alarcon and Xavier Cervantes y Omana. Our nominees have extensive business experience in Mexico. They will provide stockholders with a strong, new voice in the boardroom, and are committed to delivering the Fund's true value to stockholders while maintaining its status as a closed-end fund. Our nominees are committed to a plan that would provide larger and more frequent repurchase opportunities for all stockholders at a minimum of 98% of NAV.

WE SEEK ACCOUNTABILITY, NOT CONTROL

We are seeking the election of two members to the Fund's seven-member Board. Our goal is to ensure good corporate governance and accountability from management and the advisors, not to gain control over the Fund. Our nominees will not be beholden to management and the advisors. They will be able to focus on the stockholders' best interests and to ensure that the Board understands its fiduciary duties to the stockholders.

WE WOULD LIKE TO REMIND STOCKHOLDERS THAT, ACCORDING TO THE FUND'S PROXY STATEMENT, ROBERT KNAUSS WAS A DIRECTOR OF ENRON (ENERGY) AND JUAN GALLARDO T. WAS CHAIRMAN OF GRUPO AZUCARERO MEXICO. (1) JAIME SERRA PUCHE WAS THE NEWLY-APPOINTED SECRETARY OF FINANCE OF MEXICO IN DECEMBER 1994 WHEN MEXICO'S PESO CRISIS OCCURRED. (2)

Edgar Filing: VALUE CATALYST FUND LTD - Form DFAN14A

We are especially concerned that, if our directors are elected and if our proposal to terminate the Fund's current investment advisory agreement is approved by the stockholders, the Board will immediately seek to reappoint the losing directors and the terminated investment advisor without stockholder approval. Our nominees will take seriously these and other potential corporate governance issues.

IF YOU BELIEVE THAT THE FUND SHOULD PURSUE A COURSE DESIGNED TO RESTORE YOUR ABILITY TO RECEIVE THE TRUE VALUE FOR YOUR SHARES, PLEASE SIGN DATE AND RETURN THE ENCLOSED GOLD PROXY TODAY IN THE POSTAGE PAID ENVELOPE PROVIDED WITH A VOTE:

FOR our nominees (Proposals 1 & 2)  
FOR the proposal to terminate the Advisory Agreement (Proposal 3)  
AGAINST the proposal to amend the Advisory Agreement (Proposal 4) FOR  
the proposal to adopt a share repurchase policy (Proposal 5) FOR the  
stockholder proposal to open end the Fund (Proposal 6)

On behalf of Laxey Partners,

/s/ Andrew Pegge
