ITEM 7.01. REGULATION FD DISCLOSURE

In connection with the previously announced execution of a letter of intent (the "LOI") by Metromedia International Group, Inc. (the "Company") in respect of a preliminary offer received by the Company for the acquisition of substantially all of the Company's business interests in the country of Georgia, which proposed transaction has previously been reported by the Company on a Current Report on Form 8-K filed with the United States Securities and Exchange Commission on October 2, 2006, the Company received a letter dated November 16, 2006 from Salford Georgia ("Salford") and Emergent Telecom Ventures ("Emergent"), the remaining two members of the buying consortium and parties to the LOI, in which such members informed the Company that (i) Emergent is not going to participate in the proposed transaction and has assigned its proposed 10% equity stake in the buying consortium to Salford, which 10% equity stake Salford has agreed to assume, and (ii) Salford remains committed to proceeding with the proposed transaction on the terms contemplated by the LOI. The proposed US \$480 million purchase price will be funded by an equity commitment from Salford with the possibility of third parties (subject to the prior written consent of the Company) being invited to join Salford in making the purchase. A copy of the November 16, 2006 letter from Salford and Emergent to the Company is attached hereto as Exhibit 99.1 and is incorporated herein by reference.

Representatives of the Company and Salford continue to work and devote all necessary resources toward the execution of definitive agreements in respect of the proposed transaction contemplated by the LOI; however, as previously announced, the execution of definitive agreements in respect of the proposed transaction are subject to a number of conditions, including without limitation, the successful completion of due diligence and confirmation of the accuracy of certain purchase price assumptions. There can be no assurances that any transaction with Salford or any other party will take place nor can any assurance be given with respect to the timing or terms of any such transaction. Details of the terms of a final agreement, if any, will be disclosed upon signing of definitive agreements.

The preliminary proposal made by the buying consortium, as affirmed by Salford, is non-binding and the Company has agreed, under certain circumstances, to provide reimbursement of a limited amount of out-of-pocket expenses incurred in connection with the buyer's due diligence review and negotiation of definitive agreements.

Certain statements above, other than statements of historical fact, are "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. Such statements are subject to certain risks and uncertainties that could cause actual results to differ materially from those reflected in any forward-looking statements. These forward-looking statements represent the Company's judgment as of the date of this Current Report on Form 8-K. The Company is not under, and expressly disclaims any, obligation to update the information in this Current Report on Form 8-K for any future events.
