**Item 2.02 Results of Operations and Financial Condition**

On April 23, 2008, we issued a press release reporting our financial results for the three months ended March 31, 2008 (the Press Release ). We also hosted a conference call and webcast on April 23, 2008 during which we made a presentation on our financial results for the three months ended March 31, 2008 (the Presentation ). The Press Release and the Presentation are available on our website at [www.ryder.com](http://www.ryder.com).

The Press Release includes information regarding SCS business segment total revenue growth excluding the impact of a customer contract modification, which is a non-GAAP financial measure as defined by SEC regulations. We believe that this non-GAAP financial measure provides useful information to investors, and allows for better year-over-year comparison, as the measure excludes from our GAAP SCS business segment total revenue the impact of a customer contract modification which changed the reporting of revenue from a gross to net presentation for this transportation service arrangement. This change does not affect operating revenue or earnings.

Information regarding other non-GAAP financial measures can be found in the Press Release, the Presentation and our reports filed with the SEC.

The information in this Report, including Exhibits 99.1 and 99.2, is being furnished pursuant to Item 2.02 of Form 8-K and General Instruction B.2 thereunder and shall not be deemed to be incorporated by reference in any filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except as expressly set forth by specific reference to such filing.
